DIRECTORS' REPORT

The board of directors of Ecopack Limited is pleased to present the Director' Report alongwith the unaudited financial statements for the quarter ended September 2012:

Overview:

Despite the acute shortage of CO2 gas (food-grade Carbon dioxide) which suddenly hit carbonated soft-drink (CSD) industry just as the quarter began in July, your company clearly prioritized Bottle Sales at the cost of Preform sales, as consistent with its margin-led strategy. Consequently Bottle sales increased by 24 percent while Preforms sales reduced by 22 percent in volume terms over the prior corresponding period of 2011. Gross profit increased by a healthy 35 percent in this Quarter over the same period last year.

Sales & Financial Highlights:

Although inflation continued to adversely impact COGS mainly due to rising fuel prices and continuing depreciation of the Pak-Rupee, your company was mostly able to pass on the increased costs as and when required even though it no longer benefitted from the subsidized financial charges of 7.5% p.a. which were given to Khyber Pakhtunkhwa industry till the end of last year. Your managements' efforts to mitigate the increased financial charges of Rs. 6.31 million from Rs. 25.87 M to Rs. 32.18 M through profitable bottle sales combined with tighter management controls and an efficient business cycle gave the company a record after-tax profit of PKR 25.1 million compared to PKR 10.47 million compared to the same quarter last year - a phenomenal increase of 140 percent.

Outlook:

As the beverage industry continues its double-digit growth trajectory during the new financial year with strong spill-over demand for bottles in the summer season, the large number of SKU's and drink flavors cannot be made from the Bottler's own in-house bottle capacity simultaneously without out-sourcing from a vendor. Thus your company is suitably poised with its substantial and reliable instantaneous bottle-blowing capacity to meet the industry's shortfall and make profitable sales.

For & on behalf of the board of directors
