DIRECTORS' PROFILE

MR. ASAD ALI SHEIKH

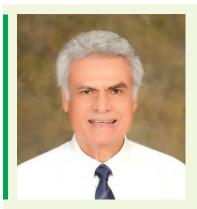

Chairman of the Board

Asad Ali Sheikh has recently been co-opted on the Board of EcoPack Limited as a Non-Executive Director to fill a casual vacancy. Before that he was on the Board of Directors of EcoPack Limited from 2008 and served as an Independent Director and Chairman of the Audit Committee from 2013 to 2022. He did his B.Com. and LL.B. from the University of Sindh and did his MBA (Finance) from The Institute of Business Management, Karachi.

He possesses a vast experience of 39 years' in finance and 35 years' experience with Non-Banking Financial Institutions in Pakistan which essentially included Leasing Companies and Modarabas. His special focus was on Leasing and Islamic Finance with functional involvement in the areas of Credit, Marketing, Operations, Risk Management and Compliance. He served a long tenure with BRR Modaraba and its other group concerns for 18 years mostly at GM level looking after Credit, Marketing, Operations and Risk.

He also served at OLP Financial Services Pakistan Limited (formerly ORIX Leasing Pakistan Limited) for nine years before his retirement in 2023 as Senior Manager heading Islamic Finance, Compliance and supervising Operations and Special Asset Management departments. He is an accredited mediator, certified from Pakistan Mediators' Association.

Asad is also a Certified Director from the Pakistan Institute of Corporate Governance (PICG).

MR. HUSSAIN JAMIL

Chief Executive Officer/Director

Hussain Jamil is the CEO of EcoPack Ltd., and has over 50 years of experience in trade and industry. This includes setting up and running a private limited company in Karachi manufacturing flexible plastic packaging. He is the founder Chairman and CEO of EcoPack and continues to strategically lead the company's growth in key areas such as corporate relationship management, financial arrangements & structuring, as well as developing new opportunities and partnerships for the company's long term sustainable growth.

Prior to founding EcoPack, Hussain was a successful entrepreneur trading packaging materials such as cotton bags, paper sacks, polythene liners and jute bags. He has also had international exposure in trading commodities such as steel and wheat flour when he was stationed overseas. Subsequently, he set up EcoPack in 1992 and commenced a career in industrial production of Rigid plastic packaging mainly for the Food & Beverage industry in Pakistan. He has presented and participated in various international conferences and industrial exhibitions on PET and Plastic Packaging. He has strong and time-tested relationships with all major international vendors of machinery and equipment in this field.

Hussain is an honours graduate from the University of Karachi and is also a Certified Director from the Pakistan Institute of Corporate Governance (PICG).

DIRECTORS' PROFILE

MR. AMEEN JAN
Non-Executive Director

Ameen Jan has over 25 years of global professional experience across multiple sectors, including FMCG. He is currently CEO of Ontex Pakistan, which manufactures and sells hygienic disposable products for babies, adults and women. He has had a versatile career trajectory that spans multiple sectors – management consulting, government/international organizations, and technology entrepreneurship – and has worked extensively in North America, Europe, Middle East, Asia and Africa. He has held corporate leadership positions which involve full P&L responsibility in Pakistan for the past ten years.

MR. ZOHAIR ASHIR Non-Executive Director

Zohair Ashir is an experienced and qualified management professional with over 30 years of expertise in Strategy, Management, Social Policy and Organizational Development. He has worked for public and private sector organizations in the United States, Middle East and Pakistan. He is the Founder and Director of two professional management firms in Pakistan. AASA Consulting Private Limited is a multi-disciplinary advisory firm which provides services in Strategy and Research, Human Resource Management, Social Policy and Design & Communications. He was also the Founder/Director of Access Consulting, a Digital Technology company from which he exited in 2019. Currently, he serves as Chief Executive of AASA Consulting.

Zohair has worked as a Senior Partner and Head of Practice Grant Thornton International for 15 years including leading their HR & Social Policy practice until he resigned in 2018. He has also worked in senior management capacity with Aga Khan University Hospital, Karachi, Pakistan for 9 years and led their Marketing and Patient Business Services functions from the inception of the Hospital till 1992. He has also served in mid-management capacity with Baptist Memorial Hospital in Memphis, Tennessee and as an Insurance Underwriter with Aetna Life & Casualty Insurance Company in Hartford, USA.

He serves on the Senate of National Skills University, Chaired the Search Committees for hiring of Vice Chancellors for COMSATS University, Federal Urdu University, Health Services Academy and was the past Chairman of Hisaar Foundation. He is a Board member of Hisaar Foundation and Executive Board member of Panjwani-Hisaar Water Institute at NED University. His rich and diversified background will be beneficial for EcoPack Limited and its' Board.

MR. ALI JAMIL Non-Executive Director

Ali Jamil has been a finance and mortgage adviser in the United Kingdom with almost 48 years' experience in property and finance. He was a sponsor Director of EcoPack Limited since its inception in 1992 and has served on EcoPack's board for several terms. He trained with the British Plastics institute and has a good understanding of the technological and marketing aspects of various plastic materials and manufacturing processes.

Ali has also worked in the family business of 'blown film extrusion and flexographic printing' for several years before he assisted in setting-up EcoPack Limited.

DIRECTORS' PROFILE

MS. SONYA JAMIL Non-Executive Director

Sonya Jamil is a certified psychotherapist and a member of the British Association for Counselling and Psychotherapy. Having completed her bachelors degree in Business Administration in 2003 from Dublin, Sonya pursued an Advanced Diploma in Psychotherapy from CPPD Pakistan, and was subsequently certified by the BACP, UK. She currently practices as a therapist and has been associated with, and worked in the mental health field for over 5 years. Her business and mental health background brings valuable diversity to the Board of EcoPack.

MS. LAILA JAMIL Non-Executive Director

Laila Jamil is a Non-Executive Director on the Board of EcoPack Limited. She completed her bachelors in history from Reed College, Portland Oregon, USA and has over 20 years of work experience running an SME business in Karachi before joining the social sector. She has worked for the Sind Institute of Urology and Transplantation (SIUT) as head of Resource Generation and Outreach and at Aman Foundation as General Manager Programs Development. Laila now works for the British Council in Pakistan as Director Arts.

BBB | A2 | Stable

Long-Term

Short-Term

Outlook

Pakistan Credit Rating Agency ("PACRA") has affirmed the Company's Long-term credit rating at 'BBB' and short-term at 'A2' with a stable outlook in a recently released report

OUR HISTORY & MILESTONES

EcoPack was converted into a public limited company EcoPack was successfully listed on the Karachi Stock Exchange EcoPack introduced the first 1 piece bottle for the carbonated soft drink (CSD) PET bottle in Pakistan, replacing the 2-piece generic base cup cylindrical bottle

EcoPack installed an on premise complete bottle blowing line inside a Multinational Beverage Plant in Islamabad under a "through-thewall" bottle supply arrangement

6. To consider and approve the increase in authorized share capital of the Company from Rs. 500 million to Rs. 1 billion by addition of 50 million shares of Rs. 10/- each.

By order of the Board

HUSSAIN JAMIL
Chief Executive Officer

September 27, 2024

NOTES:

1. Closure of Shares Transfer Books:

The share transfer books of the company will remain closed from October 15, 2024 to October 28, 2024. (Both days inclusive). Transfers received in order at our Share Registrar / Transfer agent M/s THK Associates (Pvt). Ltd. Karachi at the close of business on Monday, October 14, 2024 shall be treated in time for the purpose of Annual General Meeting and entitlement of Dividend if approved by the shareholders.

2. Participation in General Meeting:

A member entitled to attend, and vote may appoint another member as his / her proxy to attend and vote instead of him / her.

An individual beneficial owner of shares must bring his / her original CNIC or Passport, Account and Participant's I.D. numbers to prove his / her identity. A representative of corporate members must bring the Board of Directors' Resolution and / or Power of Attorney and the specimen signature of the nominee. CDC account holders will further have to follow the guidelines as laid down in Circular No. 1 dated January 26, 2000 issued by the Securities and Exchange Commission of Pakistan.

3. For Appointing Proxies:

The proxy form shall be witnessed by two persons whose names, addresses and CNIC numbers shall be mentioned on the form. Attested copies of valid CNIC or the passport of the beneficial owners and the proxy shall be furnished with the proxy form.

Duly completed instrument of proxy, and the other authority under which it is signed, or a notary certified copy thereof, must be lodged with the Company Secretary at the Company's Registered Office (Plot 112-113 Phase 5, Industrial Estate Hattar) at least 48 hours before the time of the Meeting.

4. Payment of Cash Dividend Electronically (Mandatory Requirement):

In accordance with the provisions of Section 242 of the Companies Act and Companies (Distribution of Dividends), Regulation 2017, a listed company, is required to pay cash dividend to the shareholders ONLY through electronic mode directly into the bank account designated by the entitled shareholders. In this regard, EcoPack Limited has already sent letters and Electronic Credit Mandate Forms to the shareholders and issued various notices through publication in newspapers requesting the shareholders to comply with the requirement of providing their International Bank Account Number.

Those shareholders who have still not provided their IBAN are once again requested to fill in "Electronic Credit Mandate Form" as reproduced below and send it duly signed along with a copy of valid CNIC to their respective CDC participant / CDC Investor account services (in case of shareholding in Book Entry Form) or to the Company's Share Registrar M/s THK Associates (Private) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S, KARACHI-75400 (in case of shareholding in Physical Form).

i. Shareholders Details	
Name of the Shareholder(s)	
Folio # /CDS Account No(s)	
CNIC No (Copy attached)	
Mobile / Landline No	
ii. Shareholders' Bank Details	
Title of Bank Account	
International Bank Account Number (IBAN)	
Bank's Name	
Branch's Name and Address	

In case of non-provision of IBAN, the Company will have to withhold the cash dividend according to SECP directives.

5. Withholding Tax on Dividend:

As per Income Tax Ordinance, 2001, withholding tax will be determined separately keeping in view the Active/Non-Active Status of shareholder on the amount of dividend paid by the Company. Shareholders whose names are not entered into the Active Tax Payer List (ATL) provided on the website of Federal Board of Revenue (FBR), despite the fact that they are filers, are advised to make sure that their names are entered into ATL before the date for entitlement of the cash dividend i.e. October 14, 2024 (if approved by the shareholders); otherwise tax on their cash dividend will be deducted as per law.

General Guidelines:

- I) For any query/problem/information, the investors may contact the Company and / or the Share Registrar: The Manager, Share Registrar Department, M/s THK Associates (Private) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S, KARACHI-75400, Telephone Number: 021-35310191-96, email address: aa@thk.com.pk and/or The Company Secretary, Telephone Number: 051-5974098 email address: a abdullah@ecopack.com.pk.
- II) The corporate shareholders having CDC accounts are required to have their National Tax Number (NTN) updated with their respective participants, whereas, corporate physical shareholders should send a copy of their NTN certificate to the Company or its Share Registrar i.e. Transfer Agent, M/s THK Associates (Private) Limited. The shareholders while sending NTN or NTN Certificates, as the case may be, must quote Company name and their respective folio numbers.
- III) As per the clarification issued by FBR, withholding tax will be determined separately on "Filer'Non-Filer" status of principal shareholder as well as joint-holder(s) based on their shareholding proportions. Therefore, all shareholders who hold shares jointly are required to provide shareholding proportions of principal shareholder and joint-holder(s) in respect of shares held by them to the Registrar and Share Transfer Agent in writing as follows:

	Princ	ipal Sharehol	der	Joint Sharel	nolder(s)
Folio / CDC Account No.	Total Shares	Name and CNIC No.	Shareholding Proportion (No. of Shares)	Name and CNIC No.	Shareholding Proportion (No. of Shares)

6. Submission of the CNIC/NTN details (Mandatory):

In accordance with the notification of the Securities and Exchange Commission of Pakistan (SECP) vide SRO 83(1)/2012 dated July 5, 2012 and other relevant rules, the electronic dividend warrants should also bear CNIC number of the registered member or the authorized person, except in case of minor(s) and corporate members.

As per Regulation No.4 and 6 of the Companies (Distribution of Dividend) Regulations, 2017, the Company shall be constrained to withhold the payment of dividend to the shareholders, in case of non-availability of identification number (CNIC or National Tax Number) of the Shareholder or authorized person.

Accordingly, the shareholders who have not yet submitted a copy of their valid CNIC or NTN, are once again requested to immediately submit the same to the Company's Share Registrar at M/s THK Associates (Private) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S, KARACHI-75400, Telephone Number: 021-35310191-96, email address: aa@thk.com.pk

7. Participation in the AGM vide Video-Link Facility:

In pursuance of Section 132(2) of companies Act, 2017, modified via SECP's Circular no. 04 of 2021, dated February 15, 2021, the Company will provide the video link facility to all member(s) upon request. The member(s) should submit a request in writing to the Company at least seven days before the date of the meeting.

8. Deposit of Physical Shares into CDC Account:

As per Section 72 of the Companies Act, 2017 every existing listed company shall be required to replace its physical shares with book-entry form in a manner as may be specified and from the date notified by the Commission, within a period not exceeding four years from the commencement of the Act, i.e., May 30, 2017.

The Shareholders having physical shareholding are encouraged to convert their shares held in Physical Form into Book Entry Form as soon as possible. You may contact your Broker, a PSX Member, CDC Participant, or CDC Investor Account Service to assist you in opening a CDS Account and subsequent induction of the physical shares into Book Entry Form.

Should you need any further information or clarification, please feel free to contact THK Associates (Private) Limited on Tel # 021-35310191-96 or email at info@thk.com.pk

9. Unclaimed Dividend:

Shareholders, who by any reason, could not claim their dividends / shares, if any, are advised to contact our Share Registrar to collect / enquire about their unclaimed dividend/shares, if any.

In compliance with Section 244 of the Companies Act, 2017, after having completed the stipulated procedure, all such dividend outstanding for a period of 3 years or more from the date due and payable shall be deposited to the Federal Government in case of unclaimed dividend and in case of shares, shall be delivered to the SECP.

10. Change of Address:

The members are also requested to notify change in their address, if any, to our Share Registrar / Transfer Agent, M/s THK Associates (Private) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S, KARACHI-75400.

STATEMENT U/S 134(3) OF THE COMPANIES ACT, 2017, WITH RESPECT TO SPECIAL BUSINESS AS CONDUCTED IN THE NOTICE OF ANNUAL GENERAL MEETING TO BE HELD ON OCTOBER 28, 2024.

INCREASE IN THE AUTHORISED SHARE CAPITAL

The share capital of the company is being increased to cater for any future need of issue of capital.

The following resolution will be proposed at the meeting to be passed as Special Resolution, with or without modification, addition(s) or deletion(s), as recommended by the Board of Directors:

Resolved that the authorized Share Capital of the Company be and is hereby increased from Rs. 500 million to Rs. 1 billion by addition of 50 million ordinary shares of Rs. 10/- each.

Further Resolved that alterations in clause V of the Memorandum of Association of the Company be made as under:

The figure and words "Rs. 500,000,000/- (Rupees Five Hundred Million Only) divided into 50,000,000" shall be replaced with the figure and words "Rs. 1,000,000,000/- (Rupees One Billion Only) divided into 100,000,000"

Further Resolved that alterations in clause 7 of Chapter III of the Articles of Association of the Company be made as under:

The figure and words "Rs. 500,000,000/- (Rupees Five Hundred Million Only) divided into 50,000,000" shall be replaced with the figure and words "Rs. 1,000,000,000/- (Rupees One Billion Only) divided into 100,000,000"

Clause 7 of the Articles of Association of the Company will read as under:

7. The Share Capital of the Company is Rs. 1,000,000,000/- (Rs. One billion Only) divided into 100,000,000 Ordinary Shares of Rs. 10/- each. The company shall have powers to Increase or reduce the capital of Company and to divide the shares in the for the time being into several classes. The rights as between various classes of ordinary shares, is any as to profits, votes and other benefits shall be strictly proportionate to the paid-up value of shares.

Share Capital

A copy of the Memorandum and Articles of Association of the Company is available at the Company's Registered Office for inspection during working hours.

The directors of the Company do not have any interest in the special resolution that would require disclosure.

CHAIRMAN'S REVIEW REPORT

The politico-economic environment took a bated breath during the second half of the financial year as some of the important milestones of much delayed national elections and eagerly awaited transfer of power to elected representatives took place in an otherwise tumultuous year under review. The new coalition government took the reins of power and promptly renegotiated an IMF package which had been in abeyance during the transition period of the Care-taker dispensation. All things considered, the macro-economic conditions started taking a turn for the better as inflation showed clear signs of receding and hope for interest rate descent became visible for the future. The conflict in the middle-east region, along with the unending Ukraine war, continued to cast its shadow on logistics and kept prices of commodities escalated, particularly crude oil prices.

Your company's management grappled with these challenges, and despite a disappointing Q3 which exacerbated its losses, a motivated senior management team made strenuous efforts at sales and production and, I am pleased to confirm, was able to reverse the 9-months losses whereby the company posted its highest ever profit after tax (PAT) of its history to date. Under the watchful guidance of the Board of directors, your company remained diligent and adhered to the high standards of corporate governance as meetings of the Boards' committees and the Board were held regularly to take stock of the changing and challenging landscape and apply suitable remedies.

The company's well-defined management SOPs were regularly followed and good governance practices were continually advised and adhered to for the larger benefit of all stakeholders. Transparency and robust debate and discussion on the Board has been a vital part of the company's culture and value system. This has always stood your company in good stead and I am confident that it will define EcoPack as an outstanding outlier in its sector of industry, as we progress ahead toward higher growth and profitability

I am pleased to report that the Civil Suit No.1954 of 2022 filed by the incumbent CEO of the company at the Honorable Sindh High Court (SHC) against the company and others, has been withdrawn by the CEO on September 16, 2024, and an order of withdrawal of Suit has been passed by the Honorable SHC on the same date.

On behalf of the Board of Directors, I would like to commend the Management of the company for its positive approach and endeavors to achieve a new milestone in its financial results.

Asad Ali Sheikh

Chairman of the Board of Directors EcoPack Limited.

Karachi September 27, 2024

DIRECTORS' REPORT

The Board of Directors of EcoPack Limited is pleased to present its Directors' Report and the audited annual financial statements along with the Auditors Report thereon, for the financial year ended June 30, 2024:

OVERVIEW

Despite the continuing high inflationary environment and adverse macro-economic challenges faced by the country throughout the outgoing FY 2024, your company was able to reverse the losses incurred during the first 9-months which were especially exacerbated in the penultimate 3QFY24. The last quarter of the year comprising the peak summer months, however, witnessed high production and sales as both inflation and interest rates began a gradual descent from the historic highs seen in the earlier part of the year under review.

Your company's management, under the guidance of its board, took up the challenge and made strenuous all-round efforts to enhance production and sales of its products, while sensibly mitigating costs and rationalizing prices to achieve a much-needed turnaround in profitability. With the help of strong bottle sales in the 4th quarter mainly, your company was able to post a 'profit after tax' (PAT) of Rs. 128.9 million for the year, thereby reversing the earlier 9-month 'loss after tax' of Rs 30.1 million – a sharp swing in profit of over Rs 159 million. Your management was, however, very proactive and diligent in ensuring considerable cost-cutting in expenses and suitable adjustments in prices on account of justifiable price increases to ameliorate the runaway inflation. This was necessary to cover the exponential rise in interest rates, electricity rates and truck-freight charges, among other COGS increments such as manpower salaries and minimum wages, etc., impacting it in the outgoing financial year.

SALES & FINANCIAL HIGHLIGHTS

A Summarized Profit & Loss statement for the year ended June 30, 2024 is hereby appended below:

PKR in million except EPS	FY 2024	FY 2023
Gross Revenue	7,333	6,694
Net Revenue	6,212	5,689
Gross Profit	775	580
GP as % of Net Revenue	12%	10%
Operating Profit	465	305
EBITDA	636	454
Net Profit	129	40
Earnings Per Share (PKR)	2.67	0.83

We are pleased to apprise you that we have achieved the highest ever topline revenue of EcoPack's history in FY2024. Sales revenue increased by 9% from Rs. 5.7 billion to Rs. 6.2 billion as compared to last year. The major factors of this significant growth are: (i) the enhanced sales volumes of bottles by 17% as compared to the FY 2023 and (ii) enhanced sale pricing to mitigate and absorb various cost push factors. Accordingly, production volumes also increased, thereby, enhancing capacity utilization to an all-time high of 67% in Bottles from 57% last year and 65% in Preforms from 59% last year. Besides other cost escalating factors, electricity costs also substantially increased by 36% in per unit terms, i.e., an increase from Rs. 32.01/unit to Rs. 43.64/unit. Despite the tough economic conditions in Pakistan, and huge inflationary headwinds,

your management team has succeeded in passing these cost push factors in a positive trajectory. Despite turbulent economic conditions in Pakistan, your company succeeded in achieving a gross profit of Rs. 775.3 million against a gross profit of Rs. 579.6 million YoY, witnessing a substantial growth of 34%. Similarly, Operating Profit reflects a growth of 53% i.e., an increase of Rs. 160.4 million from Rs. 304.8 million last year to Rs. 465.3 million during the year under review.

Financial charges increased from Rs. 223.8 million to Rs. 242.5 million, an increase of 8%, mainly on account of enhanced business activity and the commensurate additional working capital utilized during the year. Despite such higher utilization of working capital due to increased activity and comparatively higher cost of raw and packing materials, the financial cost was partially controlled due to efficient management of working capital finance. The SBP 'discount rate' remained high as compared to FY23, leading to higher interest rates in the year under review. Average three-month KIBOR increased from 19.04% last year to 21.85% during FY24, an increase of 15%.

Profit before tax (PBT) has been recorded at Rs. 222.7 million against a PBT of Rs. 80.9 million last year, an increase of 175%, i.e., improvement of Rs. 141.7 million. Accordingly, we have achieved a Profit after tax (PAT) of Rs. 128.9 million against a PAT of Rs. 40.1 million last year. This is the highest ever PAT result attained in the history of the company.

Earnings per share (basic and diluted) for FY24 are Rs. 2.67 per share against earnings per share of Rs. 0.83 per share for the previous corresponding year.

FUTURE OUTLOOK

As inflation is widely expected to decrease on the back of lower anticipated interest rates, as well as a declining trend in crude oil prices internationally, the purchasing power of the mass consumers is likely to improve. Consequently, consumption of soft-drinks and bottled water is expected to grow significantly in a country with long summers and a rapidly rising young and mobile population, eager to quench its thirst. Hence, significant expansions are currently underway to augment the filling capacities of plants of both international and national companies and brands.

Your company too, needs to monitor and keep abreast of this growth challenge by evaluating suitable investments in its production capacity and output, to cater to both current and new customers in a fast-expanding F&B industry.

Such timely and well considered steps will ensure its leadership in key profitable segments of a robust and dynamic, growth-oriented beverage industry.

Your company is also seriously exploring alternate measures to reduce significant increases in energy costs, as well as finding solutions for cheaper packing materials and cost-effective logistics. These are essential targets in order to remain cost competitive as customers look for growth by keeping their retail prices affordable for consumers.

RISKS

Macro-economic uncertainty and political instability in the country continue to be the key concerns for businesses and consumers alike. While the rate of inflation is coming down in tandem with bank interest rates, devaluation of the PKR against hard currencies has an inherent inflationary driver, which could compel companies to increase prices of their products and services. This could in turn erode the purchasing power of the general public and impact consumption adversely.

Conflict in the middle-eastern region has the potential to escalate and disrupt logistics & shipping rates, as well as add volatility to crude oil prices. Since petroleum products are the country's single biggest import, such an eventuality can spell adverse consequences on Pakistan's economy which is trying to make a brave recovery despite multiple challenges on various fronts. It is imperative for all stakeholders to reach a minimum consensus to ensure stability and adherence to good governance for a critical and urgent economic revival.

OTHER MATTERS

Suit No.1954 of 2022 at Sindh High Court:

The instant suit was filed by Mr. Hussain Jamil (the incumbent Chief Executive Officer of the Company) against the Company and others before the Honorable High Court of Sindh ("SHC"). Through this suit, Mr. Jamil, inter alia, challenged his alleged illegal removal as the Chief Executive Officer of the Company and violations of takeover laws by certain persons. The suit was, however, withdrawn by Mr. Jamil on September 16, 2024, and an order regarding the withdrawal was passed by the SHC on the same date.

FOR & ON BEHALF OF THE BOARD OF DIRECTORS

ASAD ALI SHEIKH **DIRECTOR**

September 27, 2024

HUSSAIN JAMIL CHIEF EXECUTIVE OFFICER آپی کمپنی توانائی کے اخراجات میں نمایاں اضافے کو کم کرنے کے سنجیدگی سے متبادل اقدامات تلاش کر رہی ہے اور اس کے ساتھ ساتھ سنتے پیکنگ مواد اور موثر بہ لاگت لا جسٹکس کے حل تلاش کر رہی ہے۔لاگت میں مسابقتی رہنے کے لیے بیہ ضروری اہداف ہیں کیونکہ ہمارے صارفین اپنی خوردہ قیمتوں کواپنے صارفین کے لیے قابل استطاعت رکھ کر ترقی کے خواہاں ہیں۔

خطرات

ملک میں میکرواکنامک غیریقینی صورتحال اور سیاسی عدم استحکام کاروبار اور صارفین دونوں کے لیے یکسال طور پر اہم خد ثنات بنے ہوئے ہیں۔اگر چہ افراط زر کی شرح بینک کی شرح سود کے ساتھ نیچے آر ہی ہے، مضبوط کر نسیوں کے مقابلے میں پاکستانی روپے کی قدر میں کمی ایک موروثی افراط زر کامحرک ہے جو کمپنیوں کو اپنی مصنوعات اور خدمات کی قیمتوں میں اضافہ کرنے پرمجبور کرسکتی ہے۔اس کے نتیج میں عام لوگوں کی قوت خرید میں کمی واقع ہو سکتی ہے اور کھیت پرمنفی انٹر پڑ سکتا ہے۔

مشرق وسطی کے خطے میں تنازعات لا جسٹکس اور شپنگ کے نرخوں میں اضافے اور خلل ڈالنے کے ساتھ ساتھ خام تیل کی قیمتوں میں اتار چڑھاؤبڑھاسکتے ہیں۔ چونکہ پیٹرولیم مصنوعات ملک کی واحد سب سے بڑی درآمدات ہیں، لہذا ایسی صورت حال پاکستان کی معیشت پر منفی انژات مرتب کر سکتی ہے جو مختلف محاذوں پر متعدّد چیلنجوں کے باوجود بہادری سے بحالی کی کوشش کر رہی ہے۔ تمام اسٹیک ہولڈرز کے لیے ضروری ہے کہ وہ ایک اہم اور فوری معاشی بحالی کے کیے لیے کم از کم اتفاق رائے تک پہنچیں۔

دیگرمعاملات

سندھ مائى كورٹ ميں مقدمہ نمبر 1954 سال 2022:

مقدمہ ہذا جناب سُمین جمیل (کمپنی کے موجودہ چیف انگیز کیٹو آفیسر) نے کمپنی ودیگر ان کے خلاف معزز سندھ ہائی کورٹ ("SHC") میں دائر کیا تھا۔ اس مقدمے کے ذریعے ، دیگر چیزوں کے علاوہ ، جناب جمیل نے کمپنی کے چیف انگیز کیٹو آفیسر کے طور پر انکی مبینہ غیر قانونی برطر فی اور چندافراد کی جانب سے ٹیک اوور کے قوانین کی خلاف ورزیوں کو چیلنج کیا تھا۔ تاہم جناب جمیل نے مورخہ 6 انتمبر 2024 کو مقدمہ واپس لے لیا تھاجس پر SHC نے اسی دن مقدمہ واپس لیے جانے کا تھم جاری کر دیا تھا۔

بورڈ آف ڈائر کیٹرزی جانبسے

اسدعلی شیخ اسدعلی شیخ دارکیشر

ہمیں آپ کو پہ بتاتے ہوئے خوشی ہورہی ہے کہ ہم نے مالی سال 2024 میں ایکوپیک کی تاریخ کی سب نے زیادہ قبل از ٹیکس آمدن حاصل کی ہے۔ گذشتہ سال 7.5 بلین روپے کی آمدن ہوئی۔ اس نمایاں نمو کے اہم عوائل یہ ہیں: (i) مالی سال 2029 کے مقابلے میں بوتلوں کی فروخت کے تجم میں 17 فیصد اضافہ اور (ii) تجم میں بوتلوں کی فروخت کے تجم میں 17 فیصد اضافہ اور (ii) تجم میں بھی اضافہ ہوا ہس سے بوتلوں اور پریفار مزکی پیداواری تجم میں مجمی اضافہ ہوا ہس سے بوتلوں اور پریفار مزکی پیداواری تجم میں بھی 16 فیصد اضافہ کے ساتھ فی بونٹ قیمت کے جایا گیا جو گزشتہ سال بالتر تیب 77 فیصد اور 59 فیصد اضافہ کے ساتھ فی بونٹ قیمت 2010 روپے سے بڑھ کر 43.64 روپے فی بونٹ ہوگئ ۔ تقادلاً میں سخت معاشی صالات اور مہنگائی کی شدید لہروں کے باوجود ، آپ کی افرظامی ٹیم لاگت کے ان عوامل کو شبت انداز میں منتقل کرنے میں کا ممیاب ہوئی ہے۔ پاکستان میں علام خیز معاشی صالات اور مہنگائی گذشتہ سال کے 57.04 ملین روپے کے جموعی نفع کی نسبت اس سال 7752 ملین روپے کا مجموعی منافع حاصل کرنے میں کا ممیاب رہی اور اس طرح 304 فیصد کی نمایاں نمود کیضے میں آئی۔ اس طرح 34 فیصد کی نمایاں نمود کیضے میں آئی۔ اس طرح 34 فیصد کی نمایاں نمود کیضے میں آئی۔ اس طرح 34 فیصد کی نمایاں نمود کیضے میں آئی۔ اس طرح 34 فیصد کی نمایاں نمود کیضے میں آئی۔ اس طرح 34 فیصد کی نمایاں نمود کیضے میں آئی۔ اس طرح 34 فیصد کی نمایاں نمود کیضے میں آئی۔ اس طرح 34 فیصد کی نمایات نمود کی نمایاں نمود کی نمو

مالیاتی چار جزہ فیصد اضافے کے بعد 223.8 ملین روپے سے بڑھ کر 242.5 ملین روپے ہو گئے جس کی بنیاد کی وجہ کاروباری سرگرمی میں اضافہ اور سال کے دوران اس کے مساوی اضافی ور کنگ کیبیٹل کا استعال تھا۔ اضافی کاروباری سرگرمی اور خام و پیکنگ میٹریلز کی نسبتازیادہ لاگت کی وجہ سے ور کنگ سرمایہ کے زیادہ استعال کے باوجود، ور کنگ کیبیٹل فنانس کے موثر استعال کی بدولت مالیاتی لاگت کو جزوی طور پر کنٹرول کیا گیا۔ مالی سال 2023 کی نسبت، اس سال SBP کا ڈوسکاونٹ ریٹ ابندسطے پر رہاجس کی وجہ سے زیر جائزہ سال میں شرح سود زیادہ رہی۔ تین ماہ کا اوسط KIBOR گذشتہ سال کے 19.04 فیصد سے بڑھ کر مالی سال 2024 میں 20.85 فیصد رہا اور اس طرح 15 فیصد کا اضافہ دیکھنے میں آیا۔

قبل از ٹیس نفع، گذشتہ مالی سال کے 80.9 ملین روپے کی نسبت امسال 222.7 ملین روپے ریکارڈ کیا گیاہے جو کہ 175 مانسافہ تھا یعنی 141.7 ملین روپے کی بہتری دیکھنے میں آئی۔اسی طرح، ہم نے بعداز ٹیس، 128.9 ملین روپے کا نفع حاصل کیا جو کہ گذشتہ سال 40.1 ملین روپے تھا۔ یہ کمپنی کی تاریخ میں حاصل ہونے والاسب سے زیادہ بعداز ٹیس نفع ہے۔

مالی سال 2024 کے لیے فی خصص (basic & diluted) آمدنی، 2.67رویے فی خصص ہے جو کہ گذشتہ مساوی سال کے دوران 0.83رویے فی خصص تھی۔

مستقبل کے امکانات

چونکہ کم متوقع شرح سود کی وجہ سے افراط زر میں بڑے پیانے پر کی کی توقع ہے اور بین الاقوامی سطح پر خام تیل کی قیمتوں میں کمی کار جمان ہے، لہذا بڑے پیانے پر صار فین کی قوت خرید میں اضافے کا امکان ہے۔ نتیجناً، طویل گرمیوں اور اپنی بیاس کو بچھانے کے لیے بے تاب، تیزی سے بڑھتی ہوئی نوجوان اور موبائل آبادی والے ملک میں سافٹ ڈر کئس اور ہوتال بند پانی کی کھیت میں نمایاں اضافہ متوقع ہے۔ لہذا، فی الحال بین الاقوامی اور قومی کمپنیوں و برانڈز کے پلانٹس کی بھرنے کی گنجائش میں اضافے کے لیے نمایاں توسیع جاری ہے۔

آپی کمپنی کوبھی اس ترقی کے چیننج کا جائزہ لینے اور اپنی پیداوار کی صلاحیت اور پیداوار میں موزوں سرمایہ کاری کا اندازہ لگانے کی ضرورت ہے تاکہ وہ تیزی سے ترقی کرتی ہوئی فوڈ ایٹڈ بیور پجز (F&B) صنعت میں موجودہ اور نئے صار فین کی ضروریات کو پوراکر سکے۔

اس طرح کے بروقت اور اچھی طرح سوچے سمجھے اقدامات ایک مضبوط ومتحرک، ترقی کرتی ہوئی مشروبات کی صنعت کے اہم منافع بخش حصوں میں اس کی قیادت کو یقینی بنائیں گر

ڈائر یکٹرزرپورٹ:

ا یکوپیک لمیٹڈ کے بورڈ آف ڈائر کیٹرز کو 30 جون 2024 کوختم ہونے والے مالی سال کے لیے ڈائر کیٹرز ر پورٹ اور آڈٹ شدہ سالانہ مالیاتی گوشواروں کے ساتھ آڈیٹرز کی ر پورٹ کوائنټائی مسرت سے پیش کیاجار ہاہے:

جائزه

ختم ہونے والے مالی سال 2024 کے دوران مسلسل بلندافراط زر کے ماحول اور ملک کو در پیش منفی میکر واکنامک چیلنجز کے باوجود، آپ کی کمپنی پہلے 9 مہینوں کے دوران ہونے والے ان نقصانات کو پوراکرنے میں کامیاب رہی جوخاص طور پر مالی سال 2024 کی تیسری سماہی میں بڑھ گئے تھے۔سال کی آخری سماہی جوموسم گرما کے عروج کے مہینوں پر شتمل ہے، میں زیادہ پیداوار اور فروخت کامشاہدہ کیا گیا کیونکہ زیر جائزہ سال کے اولین جھے میں نظر آنے والی افراط زر اور شرح سود دونوں کی تاریخی بلندیوں سے بتدر ت کے نیچے والی عروع ہوگئی تھی۔

آپ کی کمپنی کی انتظامیہ نے، اپنے بورڈ کی رہنمائی میں چینج کو قبول کیا اور اپنی مصنوعات کی پیداوار اور فروخت بڑھانے کے لیے ہر محاذ پر بھر پور کوششیں کیں، جبکہ سمجھداری سے لگت کو کم کیا اور قیمتوں کو معقول بنایا تاکہ منافع کی انتہائی ضروری در کارسطے پر واپس آیا جا سکے۔ بنیادی طور پر چوتھی سہ ماہی میں بوتلوں کی مضبوط فروخت کی مد دسے آپ کی کمیاب رہی اور اس کمپنی و 128.9 ملین روپے کا ابعداز شکس منافع حاصل کر کے پچھلے نومہینوں میں ہونے والے 30.1 ملین روپے کے ابعداز شکس نقصان اکا ازالہ کرنے میں کامیاب رہی اور اس طرح 159 ملین روپے سے زیادہ کا نفع حاصل ہوا۔ تاہم، آپ کی انتظامیہ مہنگائی کو کم کرنے کے لیے اخراجاتی لاگت میں کمی اور قیمتوں میں معقول اضافے کی مد میں مناسب ایڈ جسٹمنٹ کو تقینی بنانے میں بہت فعال اور مستعد تھی۔ یہ ختم ہونے والے مالی سال پر انز انداز ہونے والے دیگر COGS اضافوں مثلاً افرادی قوت کی تخواہوں اور کم از کم احرت وغیرہ میں اضافے کے ساتھ ساتھ شرح سود، بچلی کی قیمتوں اور ٹرک فریٹ چارج میں غیر معمولی اضافے کو پوراکر نے کے لیے ضروری تھا۔

فروخت اور مالیات کے اہم نقاط

مور خد 30 جون 2024 کوختم ہونے والے سال کے نفع ونقصان کا خلاصہ ذیل میں دیا گیاہے:

ANNEXURE "B"

TO THE DIRECTORS' REPORT

COMPLIANCE WITH CODE OF CORPORATE GOVERNANCE:

STATEMENT OF DIRECTORS RESPONSIBILITIES

- 1. The financial statements prepared by the management present fairly its state of affairs, the results of its operations, cash-flows, and changes in equity.
- 2. Proper books of accounts have been maintained.
- 3. Appropriate accounting policies have been consistently applied in preparation of the financial statements and accounting estimates are based on reasonable and prudent judgment.
- 4. International financial reporting standards, as applicable in Pakistan have been followed in preparation of financial statements and any departure there-from has been adequately disclosed and explained.
- 5. The system of internal control is sound in design and has been effectively implemented and monitored.
- 6. There are no significant doubts on the Company's ability to continue as a going concern.
- 7. There has been no departure from the best practice of corporate governance, as detailed in the listing regulations.

OTHER DISCLOSURES

- 1. Key operating and financial data for the last six years in summarized form is attached with the directors' report as Annexure "A".
- 2. There are no outstanding statutory payments on account of taxes, levies and charges except of normal and routine nature.
- 3. The company operates a contributory provident funded scheme for its management employees and defined benefit gratuity funded scheme for its non-management employees. The value of investments as at June 30, 2024 are as follows:

● Provident Fund Rs. 17.65 million ● Gratu
--

- 4. The Company's business activities have no apparent negative impacts on the environment.
- 5. In respect of "Corporate Social Responsibility" (CSR), please refer note No. 32 of the financial statements for the year ended June 30, 2024.
- 6. The Board of Directors in its meeting held on September 27, 2024 is pleased to recommend the payment of Cash Dividend for the year ended June 30, 2024 subject to approval by shareholders of the Company at the forthcoming Annual General Meeting.
- 7. The Composition of Board is as follows:

a. Male : 05b. Female : 02

- 8. The composition of Board is as follows:
 - a) Independent Directors

(1) Mr. Ameen Jan (2) Mr. Zohair Ashir

b) Non-executive Directors

(1) Mr. Asad Ali Sheikh (2) Mr. Ali Jamil

(c) Executive Director

Mr. Hussain Jamil (Chief Executive Officer)

- (d) Female Directors
 - (1) Ms. Sonya Jamil (Non-Executive Director)
 - (2) Ms. Laila Jamil (Non-Executive Director)
- 9. Board has approved the Remuneration Policy of Directors; significant features are as follows:
 - The Board of Directors ("BOD") shall, from time to time, determine and approve the remuneration of the members of the BOD for attending Board Meetings. Such level of remuneration shall be appropriate and commensurate with the level of responsibility and expertise offered by the members of the BOD and shall be aimed at attracting and retaining members needed to govern the Company successfully and creating value addition.
 - No single member of the BOD shall determine his/her own remuneration.
 - The fee is paid to Directors (independent and non-executive) for attending the Board and Committee meetings and the same has been approved by the Board. They are also entitled to obtain reimbursement of expenses incurred on account of boarding, lodging, and travelling to attend such meetings. The total amount of money paid to the Directors during the year is indicated in **note No. 44** of the attached financial statements.
- 10. The Board has formed committees comprising of members given below:
 - A.1) Audit Committee (Prevailing)

(1) Mr. Ameen Jan - Chairman
 (2) Mr. Asad Ali Sheikh - Member
 (3) Mr. Ali Jamil - Member
 (4) Ms. Sonya Jamil - Member

A.2) Audit Committee (Former)

(1) Mr. Ameen Jan - Chairman
 (2) Mr. Arif Ahmed Siddiqui - Member
 (3) Mr. Omer Tariq - Member
 (4) Ms. Sonya Jamil - Member

B.1) Human Resource and Remuneration (HR & R) Committee (Prevailing)

(1) Mr. Zohair Ashir - Chairman
(2) Mr. Hussain Jamil - Member
(3) Mr. Ameen Jan - Member
(4) Ms. Sonya Jamil - Member
(5) Ms. Laila Jamil - Member

B.2) Human Resource and Remuneration (HR & R) Committee (Former)

(1)	Mr. Junaid Hameed Dagia	-	Chairman
(2)	Mr. Arif Ahmed Siddiqui	-	Member
(3)	Mr. Omer Tariq	-	Member
(4)	Ms. Sonya Jamil	-	Member

11. During the year, 06 board of Directors, 06 Audit Committee & 05 HR & Remuneration Committee Meetings were held, and the attendance of each director is given below:

A.1) Board of Directors Meetings (Prevailing):-

The prevailing directors did not hold any meeting in the FY24 as the new Board was formed after the year-end date.

A.2) Board of Directors Meetings (Former):-

Name of Directors	No. of Meetings Attended
Mr. Muhammad Kamran Nasir	06
Mr. Hussain Jamil	06
Mr. Ameen Jan	04
Mr. Junaid Hameed Dagia	05
Mr. Omer Tariq	06
Mr. Arif Ahmed Siddiqui	06
Ms. Sonya Jamil	06

B.1) Audit Committee Meetings (Prevailing):-

The prevailing committee members did not hold any meeting in the FY24 as they were appointed after the year-end date.

B.2) Audit Committee Meetings (Former):-

Name of Members	No. of Meetings Attended
Mr. Ameen Jan	06
Mr. Arif Ahmed Siddiqui	06
Mr. Omer Tariq	06
Ms. Sonya Jamil	06

C.1) Human Resource & Remuneration Committee Meetings (Prevailing):-

The prevailing committee members did not hold any meeting in the FY24 as they were appointed after the year-end date.

C.2) Human Resource & Remuneration Committee Meetings (Former):-

Name of Members	No. of Meetings Attended
Mr. Junaid Hameed Dagia	05
Mr. Arif Ahmed Siddiqui	05
Mr. Omer Tariq	05
Ms. Sonya Jamil	05

12. Trading of shares by Directors, Spouse of a Director, Chief Executive Officer, Chief Financial Officer & Secretary of the Company during the year 2023-2024 is as under:

<u>Name</u>	<u>Designation</u>	No. of Shares
		Acquired / (Sold)
Mr. Asad Ali Sheikh	Director	Nil
Mr. Zohair Ashir	Director	Nil
Mr. Muhammad Kamran Nasir	Director	Nil
Mr. Hussain Jamil	Chief Executive Officer	Nil
Mrs. Deborah Jamil	Spouse (Chief Executive Officer)	Nil
Mr. Ameen Jan	Director	Nil
Mr. Ali Jamil	Director	Nil
Ms. Laila Jamil	Director	Nil
Mr. Junaid Hameed Dagia	Director	Nil
Mr. Omer Tariq	Director	Nil
Mr. Arif Ahmed Siddiqui	Director	Nil
Ms. Sonya Jamil	Director	Nil
Mr. Muhammed Ali Adil	Chief Financial Officer	Nil
Mr. Ali Abdullah	Company Secretary	Nil

KEY MANAGEMENT PERSONNEL CHANGES:

During the year 2023-2024, Mr. Awais Imdad resigned as the Company Secretary & Head of Internal Audit and was replaced by Mr. Ali Abdullah as the new Company Secretary & Head of Internal Audit.

BOARD CHANGES:

There were no changes in the composition of the Board during the year 2023-2024. However, post yearend, four of the directors resigned from their position and new directors were co-opted to fill the casual vacancy(ies) created by the resigning directors.

AUDITORS:

Auditors M/s A. F. Ferguson & Co., Chartered Accountants were appointed as auditors for the year ended June 30, 2024. The Board of Directors recommended the suggestion of the Audit Committee, to the 33rd AGM, for the appointment of M/s A. F. Ferguson & Co. Chartered Accountants as Auditors of the Company for the year ending June 30, 2025.

For & on behalf of the Board of Directors

كليدى انتظامى عملے كى تبديلياں

سال 2023–2024 کے دوران، جناب او یئس امداد نے کمپنی سکریٹری اور داخلی آڈٹ کے سربراہ کے عہدے سے استعفی دے دیااور ان کی جگہ جناب علی عبداللہ کو نئے کمپنی سکریٹری اور داخلی آڈٹ کے سربراہ کے عہدے پر تعینات کیا گیا۔

بوردمين تبديليان

سال 2023–2024 کے دوران بورڈ کی تشکیل میں کوئی تبدیلی نہیں کی گئی۔ تاہم،سال کے اختتام کے بعد، چار ڈائر کیٹرزنے اپنے عہدے سے استعفٰی دے دیااور استعفٰی دینے والے ڈائر کیٹرز کی طرف سے پیدا کی گئی عارضی خالی آسامیوں کو پر کرنے کے لیے بٹے ڈائر کیٹرز کاانتخاب کیا گیا۔

آڏيڻرز:

آڈیٹر زمیسر زاے ایف فرگوسن ایٹڈ کمپنی، چارٹرڈاکاؤنٹنٹس کو30 جون 2024 کوختم ہونے والے سال کے لیے آڈیٹر مقرر کیا گیا تھا۔ بورڈ آفڈائر کیٹرزنے 33ویں سالانہ عام اجلاس کو30 جون 2024 کوختم ہونے والے سال کے لیے آڈٹ کمپنی کی جویزے مطابق سفارش کی ہے۔

INDEPENDENT AUDITORS' REVIEW REPORT

TO THE MEMBERS OF ECOPACK LIMITED REVIEW REPORT ON STATEMENT OF COMPLIANCE CONTAINED IN

LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Ecopack Limited, (the Company) for the year ended June 30, 2024, in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2024.

Further, we draw attention to following instances of non-compliances to the annexed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations. 2019:

S. No.	Paragraph reference	Description
(I)	18	Certain directors did not confirm that they do not serve on more than seven boards of listed companies.
(ii)	18	The Company did not send minutes of the Audit committee meetings held during the year to the Board of Directors.
(iii)	19	The Company did not send the notices and agenda for the 135th meeting of the Board of Directors seven days before the meeting.
(iv)	19	The Company did not circulate the Minutes of the 138th meeting of the Board of Directors within fourteen days after the meeting.
(v)	19	The Company does not have an Environmental, Social and Governance Policy.
(vi)	19	The Board did not perform evaluation of board of directors as per the requirements of Regulation.

A. F. Ferguson & Co. Chartered Accountants

Islamabad

Date: October 04, 2024

UDIN:

STATEMENT OF COMPLIANCE WITH LISTED COMPANIES

(CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019

Name of Company : EcoPack Limited Year Ending : June 30, 2024

The Company has complied with the requirements of the Regulations in the following manner:

1. The total number of Directors are seven as per the following:

a. Male : 06 b. Female : 01

2. The composition of the Board is as follows:

Category	Names
Independent Director	Mr. Ameen Jan
	Mr. M. Junaid Hameed Dagia
Non-executive Director	Mr. Muhammad Kamran Nasir
	Mr. Omer Tariq
	Mr. Arif Ahmed Siddiqui
Executive Director	Mr. Hussain Jamil (Chief Executive Officer)
Female Director	Ms. Sonya Jamil (Non-executive Director)

^{*}The Company believes that having two elected independent directors with requisite competencies, skills, knowledge and experience is adequate to exercise independence in decision making within the Board hence, appointment of a third independent director is not warranted.

- 3. Three of the company's directors have confirmed in writing that none of them serves as a director of more than seven listed companies, including this company. However, no written confirmation has been received from the remaining four directors.
- 4. The Company has prepared a Code of Conduct and has ensured that appropriate steps have been taken to disseminate it throughout the Company along with its supporting policies and procedures..
- 5. The Board has developed a vision / mission statement, overall corporate strategy and significant policies of the Company. The Board has ensured that complete record of particulars of the significant policies, along with their date of approval or updating is maintained by the Company.
- 6. All the powers of the Board have been duly exercised and decisions on relevant matters have been taken by the Board / Shareholders, as empowered by the relevant provisions of the Companies Act, 2017 (the Act) and these Regulations. The accounts of the company are approved by the Board and filed in accordance with the rules and regulations of the regulatory authorities.
- 7. The meetings of the Board were presided over by the former Chairman for the year 2023-24. The Board has complied with the requirements of Act and the Regulations with respect to frequency, recording and circulating minutes of meeting of the Board except the instances mentioned in paragraph 18 and 19.
- 8. The Board has a formal policy and transparent procedures for remuneration of Directors in accordance with the Act and these Regulations.
- 9. Out of seven Directors, three of the Directors of the Company have obtained certification under Directors' Training Program in previous years and whereas none of the Directors attended Directors' Training Program in the current year. It is pertinent to note that all Directors of the Company hold qualifications and relevant experience on the Board which deem them suitable for holding the office of directorship of the company and steps are being taken to enable the remaining directors to undergo the Directors' Training Program.
- 10. The Board has previously approved the appointment of the Chief Financial Officer, Company Secretary and Head of Internal Audit including their remuneration and terms and conditions of employment and complied

- with relevant requirements of the Regulations.
- 11. Chief Financial Officer and Chief Executive Officer duly endorsed the financial statements before approval of the Board.
- 12. The Board has formed Committees comprising of members given below:

Audit Committee	HR and Remuneration Committee
Mr. Ameen Jan (Chairman)	Mr. M. Junaid Hameed Dagia (Chairman)
Mr. Arif Ahmed Siddiqui	Mr. Arif Ahmed Siddiqui
Mr. Omer Tariq	Mr. Omer Tariq
Ms. Sonya Jamil	Ms. Sonya Jamil

- 13. The terms of reference of the aforesaid Committees have been formed, documented, and advised to the Committees for Compliance.
- 14. The frequency of meetings of the Committees were as per following:
 - a) Audit Committee including quarterly 6 meetings held during the year.
 - b) HR and Remuneration Committee on required basis 5 meetings held during the year.
- 15. The Board has previously set up an effective internal audit function which is considered suitably qualified and experienced for the purpose and conversant with the policies and procedures of the Company.
- 16. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan and registered with Audit Oversight Board of Pakistan, that they and all their partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the Institute of Chartered Accountants of Pakistan and that they and the partners of the firm involved in the audit are not a close relative (spouse, parent, dependent and non-dependent children) of the Chief Executive Officer, Chief Financial Officer, Head of Internal Audit, Company Secretary or Directors of the Company.
- 17. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Act, these regulations or any other regulatory requirement and the Auditors have confirmed that they have observed IFAC guidelines in this regard.
- 18. Management confirms that all requirements of regulations 3, 6, 7, 8, 27, 32, 33 and 36 of the Regulations have been complied with except for the below mentioned non-compliances:

Mandatory requirement	Reg.No.	Explanation
Declaration from the Director: No Director shall be elected or nominated or hold office as a director of a listed company including as an alternate director of more than seven listed companies simultaneously. However, only three directors out of seven directors have given confirmation in this respect to the company.	3	Three of the company's directors have confirmed in writing that none of them serves as a director of more than seven listed companies, including this company. However, no written confirmation has been received from the remaining four directors.
Audit Committee: The Company is required to circulate the minutes of Audit Committee to all its members and Directors prior to the next meeting of the Board. in case a synopsis of the proceedings have been communicated by the Chairman of Audit Committee to the Board, the company is still required to circulate the minutes of Audit Committee along with the minutes of the meeting of the Board. However, during the year, the minutes of the Audit Committee meeting were sent only to the members of the Audit Committee.	27(5)	The synopsis of the proceedings at the Audit Committee are communicated to the Board in every subsequent meeting of the Board of Directors. The management has been strictly advised to ensure compliance in future.

19. Explanations for non-compliance with requirements, other than regulations 3, 6, 7, 8, 27, 32, 33 and 36 are below.

Non-mandatory requirement	Reg.No.	Explanation
Responsibilities of the Board and its members: The Board of Directors was required to perform evaluation of Board of Directors annually. However, no annual evaluation was performed during the year.	10(3) (v)	The Directors have deferred the evaluation of Board of Directors to a later date.
Responsibilities of the Board and its members: The Company does not have Environmental Social Governance (ESG) policy.	10(4) (xiv)	The management has been advised to develop Environmental Social Governance Policy and seek the Board's approval for their implementation.
Agenda and discussion in meetings: The Management was unable to Send the Notices and Agenda for the 135th meeting of Board of Directors seven days prior to the meeting.	11(2)	The 135th Meeting of the Board was an emergent meeting where non-financial matters of the company were discussed. However, the Notice and Agenda was duly disseminated to the Board three days before the meeting.
Minutes of meeting: Ecopack was unable to Send the Minutes of the meeting of 138th Board of Directors meeting within 14 days from the date of the meeting.	12(1)	The minutes were circulated with a delay of one (01) day. The company secretary has been advised to adhere to the timelines of circulating the minutes to the Board with greater caution.
Nomination Committee: The Board may constitute a separate committee, designated as the nomination committee, of such number and class of directors, as it may deem appropriate in its circumstances.	29(1)	By virtue of the size & structure of the Board, the need for the Nomination Committee has not been observed as the Board effectively discharges all the responsibilities of Nomination Committee as recommended by the Regulations.
Risk Management Committee: The Board may constitute the Risk Management Committee, of such number and class of directors, as it may deem appropriate in its circumstances, to carry out a review of effectiveness of risk management procedures and present a report to the Board.	30(1)	Risk management and its mitigants including monitoring and review of all material controls are duly addressed by the Board itself and through its Audit Committee. EcoPack also has a duly approved Risk Management and Mitigation Policy in this regard. Hence, the need for a discrete Risk Management Committee has not been observed.

Asad Ali Sheikh Chairman

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ECOPACK LIMITED REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the annexed financial statements of Ecopack Limited (the Company), which comprise the statement of financial position as at June 30, 2024, and the statement of profit or loss and the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policy information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2024 and of the profit and other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of *Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. This matter was addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

Following is the key audit matters:

S.No. Key Audit Matter

i) Revenue recognition

(Refer notes 4.19 and 28 to the financial statements)

The Company is engaged in the production and sale of preforms and bottles in local markets. The Company recognized gross revenue of Rs. 7,333,128 thousand from the sales of preforms and bottles in local market. During the year, price of preforms and bottles increased from last year.

We considered revenue recognition as a key audit matter due to revenue being one of the key performance indicators of the Company, large number of revenue transactions with a large number of customers in various geographical

How the matter was addressed in our audit

Our audit procedures in relation to the matter, amongst others, included:

- Understood and evaluated management controls over revenue and checked their validation;
- Performed verification of sample of revenue transactions with underlying documentation including dispatch documents and sales invoices;
- Performed cut-off procedures on sample basis to ensure revenue has been recognised in the correct period;
- Checked on a sample basis, approval of sales prices by the appropriate authority;
- Performed analytical procedures to analyse

locations, inherent risk of material misstatement and significant increase in revenue from last year.

- variation in the price and quantity sold during the vear; and
- Assessed the appropriateness of disclosures made in the financial statements related to revenue.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's reports thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
 on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may

cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- the statement of financial position, the statement of profit or loss and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Mr. JehanZeb Amin.

The annexed notes 1 to 48 form an integral part of these financial statements.

Chief Financial

Officer

Chief Executive Officer

Notes to the Financial Statements

For the year ended June 30, 2024

1. LEGAL STATUS AND OPERATIONS

Ecopack Limited (the Company) was incorporated in Pakistan on August 25, 1991 as a private limited company and converted to a public limited company on April 29, 1992 under the then applicable Companies Ordinance, 1984 (repealed upon enactment of the Companies Act, 2017) and commenced its commercial production in 1993. The Company has its shares quoted on the Pakistan Stock Exchange Limited. The Company is principally engaged in manufacturing and sale of Polyethylene Terephthalate (PET) bottles and preforms for beverages and other liquid packaging industry. The head office of the Company is situated at 19, Main Street City Villas, Near High Court Road, Rawalpindi and its registered office and manufacturing facility is located at Hattar Industrial Estate, Khyber Pakhtunkhwa.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- i) International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- ii) Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3. CHANGES IN ACCOUNTING STANDARDS, INTERPRETATIONS AND PRONOUNCEMENTS

- 3.1 There are certain amendments and interpretations to the accounting and reporting standards which are mandatory for the Company's annual accounting period which began on January 1, 2024. However, these do not have any significant impact on the Company's financial statements.
- 3.2 Standards, amendments and interpretations to existing standards that are not yet effective and have not been early adopted by the Company:

Effective date (annual reporting periods beginning on or after

IAS 1 IAS 7 IAS 21	Presentation of Financial Statements (Amendments) Statement of Cash Flows (Amendments) The Effects of changes in Foreign Exchange Rates	January 1, 2024 January 1, 2024 January 1, 2025
	(Amendments)	January 1, 2026
IFRS 16 IFRS 7	Leases (Amendments) Financial Instruments: Disclosures (Amendments)	January 1, 2024 January 1, 2026
IFRS 17	Insurance Contracts	January 1, 2026
IFRS 9	Financial Instruments – Classification and Measurement of Financial Instruments (Amendments)	January 1, 2026

The management anticipates that adoption of above standards, amendments and interpretations in future periods, will have no material impact on the financial statements other than in presentation / disclosures.

3.3 Further, to the aforesaid standards, interpretations and amendments, International Accounting Standards Board (IASB) has also issued the following standards and interpretation, which have not been notified locally or declared exempt by the Securities and Exchange Commission of Pakistan (SECP) as at June 30, 2024;

IFRS 1 First-time Adoption of International Financial Reporting Standards

IFRS 18 Presentation and Disclosures in Financial Statements

IFRS 19 Subsidiaries without Public Accountability: Disclosures

IFRIC 12 Service Concession Arrangement

4. MATERIAL ACCOUNTING POLICY INFORMATION

The Company adopted the amendment to IFRS regarding disclosure of Accounting Policies (Amendments to IAS 1 and IFRS practice statements from July 1, 2023 onwards). Although amendments did not result in any changes to the accounting policies themselves, they impact the accounting policy information disclosed in the financial statements.

The amendments require disclosure of 'material' rather than 'significant' accounting policies. The amendments also provide the guidance on the application of materiality to disclosure of accounting policies, assisting entities to provide useful entity specific accounting policy information that user need to understand other information in the financial statements.

4.1 Basis of preparation

These financial statements have been prepared under the historical cost convention except as otherwise stated in respective accounting policies notes.

The material accounting policies adopted in the preparation of these financial statements are set-out below. These material policies have been consistently applied to all the years presented, unless otherwise stated.

4.2 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the company operates. These financial statements are presented in Pakistani Rupees, which is the company's functional currency. All financial information presented in Pakistani Rupees has been rounded to the nearest rupee unless otherwise stated.

4.3 Property, plant and equipment

4.3.1 Owned assets

These are stated at cost less accumulated depreciation and impairment losses, if any. Whereas factory building & roads on lease-hold land and plant & machinery are stated at revalued amount less accumulated depreciation and impairment losses, if any. Cost in relation to operating fixed assets comprises of acquisition and other directly attributable costs. Revaluation is carried out by independent expert. The Company carries out revaluations periodically, considering the change in circumstances and assumptions from latest revaluation. The latest revaluation was carried out at June 30, 2023. The management and its expert believe that there are no significant change in circumstances necessitating new revaluation as at June 30, 2024. Capital work-in-progress and major spare parts and standby equipment are stated at cost.

The cost of replacing part of an item of owned assets is recognized in the carrying amount of the item if it is probable the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The cost of the day-to-day servicing of owned assets are recognized in the statement of profit and loss as incurred.

Increase in the carrying amount arising on revaluation of freehold land, building and roads and plant & machinery are recognized in other comprehensive income and accumulated in shareholders' equity under the heading surplus on revaluation of property, plant and equipment. To the extent that the increase reverses a decrease previously recognized in statement of profit or loss, the increase is first recognized in statement of profit or loss. Decreases that reverse previous increases of the same asset are first recognized in other comprehensive income to the extent of the remaining surplus attributable to the asset; all other decreases are charged to statement of profit or loss.

Depreciation on property, plant and equipment is calculated using either straight line method or reducing balance method to allocate their cost over their estimated useful life at the rates specified in note 7.1. Depreciation for factory assets is charged to cost of sales while depreciation for other property, plant and equipment is charged to administrative and general expenses and selling and distribution expenses on actual usage basis. Depreciation of an asset begins when it is available for use, i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management till disposal.

The gain or loss on disposal of an asset, calculated as difference between the sale proceed and carrying amount of the asset, is recognized as other income in statement of profit or loss for the year.

4.3.2 Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. It consists of expenditure incurred and advances made in respect of operating fixed assets, capital stores and intangibles assets in the course of their acquisition, construction and installation.

4.3.3 Right-of-use assets

The Company assesses whether a contract is or contains a lease at inception of the contract. If the Company assesses contract contains a lease and meets the requirements of IFRS 16, the Company recognises right-of-use assets at the commencement date of the lease i.e. the date the underlying asset is available for use. Right-of-use assets are measured at cost less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities except plant and machinery for which the Company has elected to use the revaluation model.

The cost comprising the following:

- the amount of the initial measurement of lease liabilities;
- any lease payments made at or before the commencement date less any lease incentives received;
- initial direct costs; and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use assets are depreciated over the underlying assets' useful life.

4.4 Impairment of non-financial assets

Assets that are subject to depreciation / amortisation are reviewed for impairment at each statement of financial position date or whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Reversals of the impairment losses are restricted to the extent that assets carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised. An impairment loss or reversal of impairment loss is recognised in the statement of profit or loss.

4.5 Intangible assets

An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the asset will flow to the Company and that cost of such an asset can also be measured reliably.

Intangible assets are measured on initial recognition at cost, being the fair value of the consideration given. Following the initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company does not have an intangible asset with indefinite useful life. Intangible assets with finite useful lives are amortized over the period of their useful economic life. The Company's intangible assets with finite useful lives include software, which are amortized on a straight line basis over their period of useful economic life.

In respect of additions and disposals of intangible assets made during the year, amortization is charged to the statement of profit or loss when it is available for use till disposal.

Changes in the expected useful lives or the expected pattern of consumption of future economic benefits, embodied in the intangible assets, are accounted for by changing the life or amortization method, as appropriate, and treated as a change in accounting estimate. The recognized expense on intangible assets with finite lives is recognized in the statement of profit or loss in the expense category, consistent with the function of the intangible asset.

4.6 Stores and spares

Stores and spares are stated at cost less allowance for obsolete and slow moving items. Cost is determined using weighted average method. Items in transit are measured at invoice value plus other related charges paid thereon, up to the statement of financial position date.

4.7 Stock-in-trade

Raw materials and packing materials are valued at weighted average cost and finished goods are valued at lower of weighted average cost and net realizable value. Raw material and packing material in transit are measured at invoice value plus other charges paid thereon, up to the statement of financial position date.

Preforms and PET Bottles are stated at the lower of cost and net realisable value. Cost is determined using the average manufacturing cost method. The cost of finished goods and work in process comprises raw materials, direct labour, other direct costs and related production overheads.

Net realisable value is the estimated selling price in ordinary course of business, less estimated cost of completion and costs that would necessarily be incurred to make the sale.

The Company reviews the carrying amount of stock in trade on regular basis and provision is made for obsolescence for items which are slow moving. A provision is made for excess of book value over the estimated net realizable value.

4.8 Trade debts

These are recognised and carried at the original invoice amounts, being the fair value, less an allowance for uncollectible amounts, if any. As explained in note 4.22 to these financial statements, the Company applies IFRS 9 simplified approach to measure the expected credit losses (ECL). The ECL model requires the Company to recognise an allowance for doubtful debt on all financial assets carried at amortized cost, as well as debt instruments classified as financial assets carried at fair value through other comprehensive income, since initial recognition, irrespective whether a loss event has occurred.

4.9 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of statement of cash flows, cash and cash equivalents comprise of cash in hand, bank balances, short term running finance / bank overdrafts and short-term investments that are highly liquid, readily convertible to known amounts of cash with insignificant risk of changes in value and have original maturity period of three month or less from the date of acquisition. Bank overdrafts are shown in current liabilities on the statement of financial position.

4.10 Borrowings and borrowing cost

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the statement of profit or loss over the period of the borrowings using the effective interest method.

Borrowing costs which are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of that asset. All other borrowing costs are charged to statement of profit or loss.

4.11 Employees' benefits

The Company operates a provident fund and a funded gratuity scheme for its employees as per details below:

4.11.1 Defined contribution plan

The Company operates an approved contribution provident fund for its permanent employees. Equal monthly contributions are made, both by the Company and the employees to the fund at the specified rate of employees' basic salary. The Company's obligation for the contribution to the provident fund is recognized in the statement of profit or loss, as incurred. Investments out of provident fund have been made in accordance with the provisions of section 218 of Companies Act, 2017 and applicable rules.

4.11.2 Defined benefit plan

The Company operates an approved gratuity fund for its non-management employees, who have completed specified years of service with the Company. The liability recognized in respect of the gratuity fund is the present value of the defined benefit obligation under the scheme at the statement of financial position date.

The liability for gratuity is provided on the basis of amounts payable in respect of accumulated period of service of eligible employees on the basis of actuarial valuation, using Projected Unit Credit Method. The details of actuarial valuation carried out as at June 30, 2024 are given in note 21.

Calculation of gratuity requires assumptions to be made of future outcomes which mainly include increase in remuneration, expected long-term return on plan assets and the discount rate used convert future cash flows to current values. Calculations are sensitive to changes in the underlying assumptions.

The actuarial gains and losses (remeasurement gains / losses) on employees' retirement benefit plans are recognized immediately in other comprehensive income.

Past service costs are recognized in the statement of profit or loss on the earlier of:

- · The date of the plan amendment or curtailment, and
- The date that the Company recognizes restructuring-related costs.

The Company recognizes the following changes in the defined benefit obligation in the statement of profit or loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Interest expense on net liability / (asset).

4.12 Lease liabilities

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms and conditions.

Lease payments in the measurement of the lease liability comprise the following:

- a) fixed payments, including in-substance fixed payments;
- b) variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- c) amounts expected to be payable under a residual value guarantee; and
- d) the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liabilities are measured at amortised cost using the effective interest method. These are remeasured when there is a change in future lease payments arising from a change in fixed lease payment, an index or rate, change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liabilities are remeasured in this way, the corresponding adjustment is made to the carrying amount of the right-to-use asset, or is recorded in profit and loss if the carrying amount of right-to-use asset has been reduced to zero.

The Company has opted not to recognize right of use assets for low value assets and short term leases of equipment and vehicles i.e. leases with a term of twelve (12) months or less. The payments associated with such leases are recognized in statement of profit or loss when incurred.

4.13 Trade and other payables

Liabilities for trade and other payables, including payable to related parties, are carried at cost, which is the fair value of the consideration to be paid in future for goods and/or services received, whether or not billed to the Company.

4.14 Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are reviewed at each statement of financial position date and adjusted to reflect the current best estimate.

Contingent liability is disclosed when the Company has as possible obligation as a result of past event whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future not wholly within the control of the Company; or the Company has a present legal or constructive obligation that arises from the past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

4.15 Taxation

Income tax comprises of current and deferred tax. Income tax expense is recognised in the statement of profit or loss, as incurred.

(i) Current

Provision for current taxation is based on taxable income for the year determined in accordance with prevailing law for taxation on income at the applicable rates of taxation after taking into account tax credits and tax rebates, if any. Income tax expense is recognised in the statement of profit or loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

(ii) Deferred

Deferred income tax is recognised using the statement of financial position liability method in respect of all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts appearing in the financial statements. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that deductible temporary differences will reverse in the future and taxable income will be available against which the deductible temporary differences, unused tax losses and tax credit can be utilised.

Deferred tax asset and liability is measured at the tax rate that is expected to apply to the period when the asset is realised or the liability is settled, based on tax rates that have been enacted. Deferred tax is charged or credited to income except in the case of items credited or charged to equity in which case it is included in equity.

4.16 Minimum tax - Levy

In accordance with the application guidance issued by the Institute of Chartered Accountants of Pakistan (ICAP) relating to IAS-12 "Income taxes", any amount in excess of normal tax liability and not based on taxable income is to be treated as a levy. Accordingly, the Company classifies any amount over and above the normal tax as per the enacted tax laws as minimum tax differential and same is treated as levy in term of IAS 37 "Provisions, contingent liabilities and contingent assets" and IFRIC 21 "Levies" and not treated as part of income tax balances if any to be recognised under IAS-12.

4.17 Dividend and revenue reserve appropriation

Dividend and movement in revenue reserves are recognised in the financial statements in the period in which these are approved.

4.18 Foreign currency transactions and balances

Foreign currency transactions are translated into Pakistani Rupees at the rates of exchange ruling on the date of the transaction. All monetary assets and liabilities denominated in foreign currencies are translated into functional currency using the exchange rate prevailing at the statement of financial position date. Exchange differences are dealt with through the statement of profit or loss.

4.19 Revenue recognition

The Company recognises revenue at point of time when control of product is transferred to customer. Control is considered to be transferred in case of local sales when the finished goods are directly uplifted by customer from the warehouse or when it is delivered by the Company at customer premises. In case of export sales, control is considered to be transferred when the finished goods are shipped to the customer.

Revenue is measured based on the consideration agreed with a customer and excludes sales tax / government levies and amounts collected on behalf of third parties. Revenue is presented net of discounts, rebates and returns.

No element of financing is deemed present as the sales are made with a credit term ranging from 20-45 days, which is consistent with the market price.

4.20 Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors that makes strategic decisions. The management has determined that the Company has two reportable segments i.e. injection and blowing

Management monitors the operating results of above mentioned segments separately for the purpose of making decisions about resources to be allocated and for assessing performance. Segment results and assets include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Finance cost, other income, other expenses and taxation are managed at the Company level. Unallocated assets include security deposits, prepayments & other receivables and bank balances whereas unallocated liabilities include loans from related parties, deferred taxation, accrued mark-up and short term borrowings.

4.21 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

4.22 Financial instruments

Financial instruments are recognized in the statement of financial position when the Company becomes a party to the contractual provisions of the instrument. All the financial assets are derecognized at the time when the Company losses control of the contractual rights that comprise the financial assets. All financial liabilities are derecognized at the time when they are extinguished that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gains or losses on de-recognition of the financial assets and financial liabilities are taken to the statement of profit or loss.

(a) Financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- amortized cost where the effective interest rate method will apply;
- ii) fair value through profit or loss;
- iii) fair value through other comprehensive income.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in statement of profit or loss or other comprehensive income. For investment in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVOCI). The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commit to purchase or sell the asset. Further financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership.

Measurement

At initial recognition, the Company measure a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVTPL are expensed in statement of profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company can classifies its debt instruments:

(i) Amortised cost

Assets that are held for collection of contractual cash flows where the contractual terms of the financial assets give rise on specified dates to cash flows that represent solely payments of principal and interest, are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in statement of profit or loss and presented in other income together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss.

(ii) Fair value through other comprehensive income (FVTOCI)

Debt securities, where the contractual cashflows are solely principal and interest and the objective of the Company's business model is achieved both by collecting contractual cashflows and selling financial assets are measured at FVTOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in statement of profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit or loss and recognised in other income. Interest income from these financial assets is included in finance income using the effective interest rate method. Foreign exchange gains and losses are presented in other income and impairment expenses are presented as separate line item in the statement of profit or loss.

(iii) Fair value through profit and loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. Again or loss on a debt investment that is subsequently measured at FVTPL is recognised in the statement of profit or loss and presented in finance income/cost in the period in which it arises.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to statement of profit or loss following the

derecognition of the investment. Dividends from such investments continue to be recognised in statement of profit or loss as other income when the Company's right to receive payments is established.

Impairment of financial assets

The Company assess on a historical as well as forward-looking basis, the expected credit loss (ECL) as associated with its debt instruments, trade debts, short term investment and deposits and other receivables carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Following are financial instruments that are subject to the ECL model:

- Trade debts
- Loans and advances
- Trade deposits and other receivables
- Short term investments
- Cash and bank balances

(i) General approach for loans and advances, trade deposits and other receivables and cash and bank balances

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information (factors that are specific to the counterparty, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate). As for the exposure at default for financial assets, this is represented by the assets' gross carrying amount at the reporting date. Loss allowances are forward looking, based on 12 month expected credit losses where there has not been a significant increase in credit risk rating, otherwise allowances are based on lifetime expected losses.

Expected credit losses are a probability weighted estimate of credit losses. The probability is determined by the risk of default which is applied to the cash flow estimates. In the absence of a change in credit rating, allowances are recognised when there is reduction in the net present value of expected cash flows. On a significant increase in credit risk, allowances are recognised without a change in the expected cash flows, although typically expected cash flows do also change; and expected credit losses are rebased from 12 month to lifetime expectations.

Significant increase in credit risk

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk, the Company compares the risk of a default occurring on the instrument as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportable forward-looking information.

The following indicators are considered while assessing credit risk

- actual or expected significant adverse changes in business, financial or economic conditions that are
 expected to cause a significant change to the debtor's ability to meet its obligations;
- actual or expected significant changes in the operating results of the debtor;
- significant increase in credit risk on other financial instruments of the same debtor; and
- significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees, if applicable.

Definition of default

The Company considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that receivables that meet either of the following criteria are generally not recoverable.

when there is a breach of financial covenants by the counterparty; or

 information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Company, in full (without taking into account any collaterals held by the Company).

Irrespective of the above analysis, in case of trade debts, the Company considers that default has occurred when a debt is more than 90 days past due, unless the Company has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Credit - impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- significant financial difficulty of the issuer or the borrower;
- a breach of contract, such as a default or past due event;
- the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise consider;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for that financial asset because of financial difficulties.

(ii) Simplified approach for trade debts

The Company recognises life time ECL on trade debts, using the simplified approach. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes; and
- reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions.

Trade debts with individually significant balance are separately assessed for ECL measurement. All other trade debts are grouped and assessed collectively based on shared credit risk characteristics and the days past due. The expected credit losses on these financial assets are estimated using a provision matrix approach based on the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

Where lifetime ECL is measured on a collective basis to cater for cases where evidence of significant increases in credit risk at the individual instrument level may not yet be available, the financial instruments are grouped on the following basis:

- Nature of financial instruments;
- Past-due status;
- Nature, size and industry of debtors; and
- External credit ratings where available.

The grouping is regularly reviewed by management to ensure the constituents of each group continue to share similar credit risk characteristics.

Recognition of loss allowance

The Company recognizes an impairment gain or loss in the statement of profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account, except for investments in debt instruments that are measured at FVTOCI, for which the loss allowance is recognised in other comprehensive income and accumulated in the investment revaluation reserve, and does not reduce the carrying amount of the financial asset in the statement of financial position.

Write-off

The Company writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. The assessment of no reasonable

expectation of recovery is based on unavailability of debtor's sources of income or assets to generate sufficient future cash flows to repay the amount.

The Company may write-off financial assets that are still subject to enforcement activity. Subsequent recoveries of amounts previously written off will result in impairment gains.

(b) Financial Liabilities

Classification, initial recognition and subsequent measurement

Financial liabilities are classified in the following categories:

- fair value through profit or loss; and
- other financial liabilities.

The Company determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognized initially at fair value and, in case of other financial liabilities also include directly attributable transaction costs. The subsequent measurement of financial liabilities depends on their classification, as follows:

(i) Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held-for-trading and financial liabilities designated upon initial recognition as being at fair value through profit or loss. The Company has not designated any financial liability upon recognition as being at fair value through profit or loss.

(ii) Other financial liabilities

After initial recognition, other financial liabilities which are interest bearing subsequently measured at amortized cost, using the effective interest rate method and are measured at present value. Gain and losses are recognized in profit or loss for the year, when the liabilities are derecognized as well as through effective interest rate amortisation process.

Derecognition of financial liabilities

The Company derecognises financial liabilities when and only when the Company's obligations are discharged, cancelled or they expire.

Offsetting financial assets and financial liabilities

Financial assets and liabilities are offset and the net amount presented in the statements of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

4.23 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market is accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities:

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Board determines the policies and procedures for both recurring fair value measurement and for non-recurring measurement. External valuers may be involved for valuation of significant assets and significant liabilities. For the purpose of fair value disclosures, the Company determines classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

5 SUMMARY OF OTHER ACCOUNTING POLICIES

5.1 Other income

The Company recognises following in other income:

- (i) Income on bank deposits and short-term investments using the effective yield method.
- (ii) Dividend income is recognized when the right to receive dividend is established.
- (iii) Income from other non-recurring goods and services is recognised when the control is transferred and performance obligations are fulfilled.

5.2 Share based payment arrangements

The entity recognizes a cost over the vesting period and a corresponding liability. Measurement is based on the fair value of the liability at each reporting date, and it is remeasured until settlement date. The share based payment is classified and accounted for as either equity settled or cash settled, depending on whether the entity has a present obligation to settle in cash.

5.3 Government grants

Government grants are recognised at their fair value when there is a reasonable assurance that the grant will be received and all the conditions precedent thereto will be complied with.

Government grant includes any benefit earned on account of a government loan obtained at below-market rate of interest. The loan is recognised and measured in accordance with IFRS 9 "Financial Instruments". The benefit of the below-market rate of interest is measured as the difference between the initial carrying value of the loan determined in accordance with IFRS 9 and the proceeds received.

6. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with the approved accounting and reporting standards requires the use of certain accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements, are as follows:

(i) Estimated useful life of operating fixed assets - note 4.3.1

The Company annually reviews appropriateness of the method of depreciation, useful life and residual value used in the calculation of depreciation. Further, where applicable, an estimate of the recoverable amount of asset is made for possible impairment on an annual basis. Any change in

these estimates in the future, might affect the carrying amount of the respective item of property and equipment, with a corresponding effect on the depreciation and impairment.

(ii) Surplus on revaluation of property, plant and equipment - note 4.3.1

The Company carries out revaluations, considering the change in circumstances and assumptions from latest revaluation. The fair value of the Company's free hold land, buildings & roads and plant & machinery is assessed by management based on independent valuation performed by an external property valuation expert as at year end. For valuation of free hold land, buildings & roads and plant & machinery, the current market price or depreciated replacement cost method is used, whereby, current cost of construction of similar free hold land, buildings & roads and plant & machinery in similar locations has been adjusted using suitable depreciation rates to arrive at present market value. This technique requires significant judgment as to estimating the revalued amount in terms of their quality, structure, layout and locations.

(iii) Provision for stores and spares - note 4.6

For items which are slow-moving and/or identified as obsolete, adequate provision is made for any excess book value over estimated realisable value on a regular basis. The Company reviews the carrying amount of stores and spares on a regular basis and provision is made for obsolescence.

(iv) Write down of stock in trade to net realizable value - note 4.7

Net realisable value is determined on the basis of estimated selling price of the product in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

If the expected net realisable value is lower than the carrying amount, a write-down is recognised for the amount by which the carrying amount exceeds its net realisable value. Provision is made in the unconsolidated financial statements for obsolete and slow moving stock-in-trade based on management estimate.

(v) Estimation of impairment loss allowance - note 4.22

The Company reviews the Expected Credit Loss (ECL) model which is based on the historical credit loss experience over the life of the trade receivables and adjusted, if required. The ECL model is reviewed on a quarterly basis.

(vi) Provision for employees' defined benefit plans - note 4.11

Defined benefit plans are provided for all employees of the Company. These calculations require assumptions to be made of future outcomes, the principal ones being in respect of increases in remuneration and the discount rate used to convert future cash flows to current values. The assumptions used vary for the different plans as they are determined by independent actuaries annually.

(vii) Provision for current and deferred tax - note 4.15

In making the estimate for tax payable, the Company takes into account applicable tax laws, the decisions taken by the appellate authorities on certain issues in the past and professional advice of tax consultant of the Company.

(viii) Provisions and contingencies - notes 4.14 and 27

The management exercises judgement in measuring and recognizing provisions and exposures to contingent liabilities related to pending litigations or other outstanding claims. Judgement is necessary in assessing the likelihood that a pending claim will succeed, or a

liability will arise, and to quantify the possible range of the financial settlement.

(ix) Estimation of lease term and incremental borrowing rate for lease liabilities and right of use assets - notes 4.3.3 and 4.12.

IFRS 16 requires the Company to assess the lease term as the non-cancellable lease term in line with the lease contract together with the period for which the Company has extension options which the Company is reasonably certain to exercise and the periods for which the Company has termination options for which the Company is not reasonably certain to exercise those termination options.

A significant portion of the lease contracts included within Company's lease portfolio includes lease contracts which are extendable through mutual agreement between the Company and the lessor or lease contracts which are cancellable by the Company on immediately or on short notice. In assessing the lease term for the adoption of IFRS 16, the Company concluded that these cancellable future lease periods should be included within the lease term in determining the lease liability upon initial recognition. The reasonably certain period used to determine the lease term is based on facts and circumstances related to the underlying leased asset and lease contracts and after consideration of business plan of the Company which incorporates economic, potential demand of customers and technological changes.

14.1 This represent dividend account balance, maintained separately and carries mark-up at the rate of 20.5% (2023: 19.5%) per annum.

15. SHARE CAPITAL

15.1 Authorized share capital

This represents 50,000,000 (2023: 50,000,000) ordinary shares of Rs 10 each.

15.2 Issued, subscribed and paid-up capital

2024 Number	2023 of shares		2024 Rupees in	2023 thousand
10,262,664	10,262,664	Ordinary shares of Rs 10 each issued against cash	102,627	102,627
37,995,753	37,995,753	Ordinary shares of Rs 10 each issued as fully paid bonus shares	379,957	379,957
48,258,417	48,258,417	•	482,584	482,584

15.3 Ordinary shares have a par value of Rs 10 each. They entitle the holder to participate in dividends, as declared from time to time, and to share in the proceedings of the winding up of the Company in the proportion to the number of and amounts paid on the shares held. Further, the holder is entitled to one vote per share at the general meetings of the Company, except to vote for the appointment of Director(s). In this case the voting right is multiple of number of Directors to be elected.

16. SURPLUS ON REVALUATION OF PROPERTY, PLANT AND EQUIPMENT

The Company follows revaluation model for lease-hold land, factory building and roads on lease-hold land and plant & machinery. During the year the management and its expert believe that there are no significant change in circumstances necessitating new revaluation. The last fair valuation of these items were assessed by management based on independent valuation performed by an external valuation expert property valuation expert as on June 30, 2023. For valuation of these items, the current market price or depreciated replacement cost method was used, whereby, current purchase / construction cost of similar items in similar locations was adjusted using suitable depreciation rates to arrive at present market value. This technique requires significant judgment as to estimating the revalued amount in terms of their quality, structure, layout and locations. Movement during the year is as follows:

	2024	2023
	Rupees in the	housand
Balance at the beginning of the year	357,675	227,635
Add: surplus on revaluation carried-out during the year	-	164,863
Reversal of surplus on recognition of impairment loss on idle machinery	-	(5,101)
Incremental depreciation transferred to unappropriated profits	(41,749)	(29,722)
	315,926	357,675
Less: deferred tax on		
- Balance at beginning of the year	(84,421)	(44,055)
- surplus for the year	-	(51,857)
- difference due to change in rate of tax	(5,957)	-
- reversal of revaluation surplus for the year	-	1,683
- incremental depreciation charged during the year	14,529	9,808
	(75,849)	(84,421)
Balance at the end of the year	240,077	273,254

16.1 Restriction on distribution

The surplus on revaluation of property, plant and equipment is not available for distribution to the shareholders in accordance with section 241 of the Companies Act, 2017.

- 17.1 This represents term loan obtained in year 2019 for letter of credit arrangements of the capital expenditure. Tenor of the loan is five years, including six months grace period. This is repayable in 20 equal quarterly installments started from May 24, 2019. It carries mark-up at 3 months KIBOR plus 1.5% per annum payable on quarterly basis. This loan is secured by specific (first exclusive) charge of Rs 171,000 thousand on imported / purchased machinery. Principal repayments of the loan were deferred for a period of one year in pursuance of BPRD Circular No. 6 dated April 10, 2020.
- 17.2 This represents subsidized rate term loan obtained during the year 2020 under Temporary Economic Refinance Facility (TERF) of State Bank of Pakistan (SBP) for letter of credit arrangements of the capital expenditure. Tenor of the loan is six years, including one year grace period. This is repayable in 20 equal quarterly installments starting from March 1, 2022. It carries mark-up at 5% per annum payable on quarterly basis. This loan is secured by specific (first exclusive) charge of Rs 171,000 thousand over imported / purchased machinery. Loan proceeds of subsidized loans have been recognized at present value of future cashflows discounted at market interest rate. The difference between loan proceeds and the present value of future cashflows has been recognized as deferred government grant.
- 17.3 This represents term loan obtained in fiscal year 2023-24 for letter of credit arrangements of the capital expenditure. Tenor of the loan is three years. This is repayable in 36 equal monthly installments. The loan is priced at 1.5% per annum over 3 months KIBOR. This loan is secured by first exclusive charge over fixed assets (plant & machinery) for Rs. 55 million duly registered with SECP over machinery imported.

- 17.4 This represents finance obtained from PAIR Investment Company Limited under sale and lease back arrangement. As per terms of agreement, the Company has an option to repurchase the assets back upon expiry of lease term, accordingly proceeds through this arrangement are classified as a financial liability in accordance with IFRS 9. Tenor of the arrangement is 5 years and with 60 equal monthly installments. It carries mark-up at 3 months KIBOR plus 1.5% per annum. The loan is secured by charge over plant and machinery of the Company amounting to Rs 54,710 thousand.
- 17.5 The Company has not been able to comply with loan covenants as per the requirements of the loan agreements. In terms of provisions of International Accounting Standard on Presentation of financial statements (IAS 1), the Company does not have an unconditional right to defer settlement of liabilities for at least twelve months after the statement of financial position date, accordingly all liabilities under respective loan agreements are required to be classified as current liabilities. Based on above, loan installments for an amount of Rs 32,476 thousand due after June 30, 2025 have been shown as current liability.

19.2 The Company's leased assets comprise of plant and machinery and vehicles. Leased vehicles have been obtained during different time periods from year 2020 to year 2024. Plant and machinery and vehicles both have lease term of five years and lease for solar is of seven years. Under the terms of lease arrangement, the Company has an option to acquire leased assets at the end of respective lease term and intends to exercise the option. There are no restrictions imposed on the Company under the terms of leases. The interest rate used for the calculation of the present value of minimum lease payments, are 4.25% to 25.43% (2023: 4.25% to 24.24%) per annum.

	Recognized in other comprehensive income		5,018	47,484
	•		51,592	32,825

20.2 The deferred tax asset in respect of tax credits has been recognised taking into account the availability of future taxable profits as per business plan of the Company. The existence of future taxable profits is based on business plan which involves making judgements regarding key assumptions underlying the estimation of the future taxable profits of the Company. These assumptions, if not met have significant risk of causing a material adjustment to the carrying amount of deferred tax. It is probable that the Company will be able to achieve the profits projected in the business plan. The minimum tax credits expire as follows:

(Rupees in thousand)

Deferred tax asset available till tax year 2025	45,809

	Salary Increase - 100 bps	49,479	40,964
	The average duration of the defined benefit obligation is 8 years.		
21.11	Following significant assumptions were used by the actuary in valuation of the	e scheme:	
		2024	2023
	Discount rate per annum (%)	14.75%	16.25%
	Expected rate of increase in salary level per annum (%) - for future years	14.75%	16.25%
	Average expected remaining working life time of employees	8 years	8 years
	The lage expected formalling working the time of employees	o years	o youro

21.12 The plan is a defined benefit plan invested through approved trust fund. The fund is governed under Trusts Act. Trust Deed and Rules of Fund, Companies Act, 2017, the Income Tax Ordinance, 2001 and the Income Tax Rules, 2002. The trustees of the fund are appointed by the Company and are responsible for plan administration and investment. All trustees are employees of the Company.

21.13 The defined plan exposes the company to the following risks:

Final salary risk:

The risk that the final salary at the time of cessation of service is greater than what the company has assumed. Since the benefit is calculated on the final salary, the benefit amount would also increase proportionately.

Withdrawal risks:

The risk of higher or lower withdrawal experience than assumed. The final effect could go either way depending on the beneficiaries' service / age distribution and the benefit.

Mortality risks:

The risk that the actual mortality experience is different. Similar to the withdrawal risk, the effect depends on the beneficiaries' service / age distribution and the benefit.

Discount rate fluctuation:

The plan liabilities are calculated using a discount rate set with reference to market yields on government bonds. A decrease in market yields on government bonds will increase plan liabilities, although this will be partially offset by an increase in the value of the current plans bond holdings.

Investment risks:

The risk of the investment underperforming and not being sufficient to meet the liabilities. The risk is mitigated by closely monitoring the performance of investment.

Risk of insufficiency of assets:

This is managed by making regular contribution to the fund as advised by the actuary.

27. CONTINGENCIES AND COMMITMENTS

27.1 Contingencies

27.1.1 In respect of tax year 2017, Deputy Commissioner Inland Revenue (DCIR) passed an order on May 20, 2020, against the Company regarding inadmissibility of sales tax input amounting to Rs 35,995 thousand. Commissioner Inland Revenue (Appeals) [CIR(A)] upheld the order of DCIR. The Company has filed an appeal against the decision of CIR(A) before Appellate Tribunal, which is pending for adjudication.

The management and its advisor are confident that the case will be decided in its favor as the demand is without legal substance. Accordingly, no provision has been recognized in these financial statements in this respect.

27.1.2 A Suit No.1954 of 2022 was filed by Mr. Hussain Jamil (the incumbent Chief Executive Officer of the Company) against the Company and others before the Honourable High Court of Sindh ("SHC"). Through this suit, Mr. Jamil, inter alia, challenged his alleged illegal removal as the Chief Executive Officer of the Company and violations of takeover laws by certain persons. Subsequent to the year end Mr. Jamil moved an application to SHC on September 16, 2024 for withdrawal of suit and the said application has been acceeded to by the SHC. An order for even date has also been passed by the SHC with no order on any cost to the Company.

27.2 Commitments

- **27.2.1** Bank guarantees have been issued by two financial institutions of the Company for an aggregate amount of Rs 7,154 thousand (2023: Rs 7,154 thousand) in favor of the Company's fuel and utility suppliers.
- 27.2.2 Local letter of credit for purchase of raw material amounts to Rs 86,839 thousand (2023: Rs Nil).

39. SEGMENT REPORTING

39.1 Description of operating segments

Business segments are determined based on the Company's management and internal reporting structure. The Company has two operating segments which are also the reporting segments i.e., injection and blowing.

Reportable segments	Operations
Injection	Engaged in buying PET Resin/ receive from customers and other raw materials for the purpose of production of PET preforms (finished product of this segment) which is used as a raw material in Blowing segment for manufacturing of PET bottles.
Blowing	Engaged in using PET preforms produced by the Injection segment, purchasing PET preforms/ receive from customers and other raw materials from external suppliers for the purpose of production of PET bottles (finished product of this segment).

The Company's Chief Executive officer reviews the internal management reports of each segment at least guarterly.

39.2 Information about reportable segments

Information related to each reportable segment is set out below. Segment profit before tax is used to measure performance because management believes that this information is the most relevant in evaluating the results of the respective segments relative to other entities that operate in the same industries.

	Injecti	ion	Blowi	Blowing		Total

41. FINANCIAL RISK MANAGEMENT

41.1 Financial risk factors

The Company has exposure to the following risks from its use of financial instruments:

- credit risk
- liquidity risk
- market risk

The Board of Directors (the Board) has the overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Board of the Company oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Board is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Board.

a) Credit risk

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the credit worthiness of counterparties.

Concentration of credit risk arises when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their abilities to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentration of credit risk indicates the relative sensitivity of the Company's performance to developments affecting a particular industry.

Credit risk primarily arises from trade debts, loans and advances, other receivables and balances with banks. To manage exposure to credit risk in respect of trade debts, management performs credit reviews taking into account the customer's financial position, past experience and other relevant factors. Where considered necessary, advance payments are obtained from certain parties. The management has set an allowed credit period to reduce the credit risk. Credit risk on bank balances is limited as the counter parties are banks with reasonably high credit ratings. In respect of other counter parties, due to the Company's long standing business relationship with them, management does not expect non-performance by these counter parties on their obligations to the Company.

The Company recognises ECL for trade debts using the simplified approach as explained in note 4.22. As per the aforementioned approach, the loss allowance was determined as follows:

	June 30, 2024		June 3	0, 2023
	Gross carrying value	Loss allowance	Gross carrying value	Loss allowance
		in thousand		
Current (not past due)	557,520	(3,638)	380,396	(2,024)
1–30 days past due	59,844	(952)	167,170	(2,089)
31–60 days past due	512	(72)	1,118	(136)
61–90 days past due	1	-	7	(3)
More than 90 days past due	1,160	(548)	1,636	(741)
	619,037	(5,210)	550,327	(4,993)

ECL on other receivables is calculated using simplified approach (as explained in note 4.22). As at the reporting date, Company envisages that default risk on account of non-realisation of other receivables is minimal and thus based on historical trends adjusted to reflect current and forward looking information loss allowance has been estimated by the Company using a range of probable recovery pattern of related other receivables and assigning a time value of money to same. As per the aforementioned approach, the loss allowance for other receivables as at June 30, 2024 and June 30, 2023 is considered to be insignificant.

Based on past experience, the management believes that no further impairment allowance is necessary in respect of trade debts, loans and advances and other financial assets.

The credit quality of the Company's bank balances and short term investments have been assessed below by reference to external credit ratings of counterparties determined by the Pakistan Credit Rating Agency Limited (PACRA) and JCR - VIS Credit Rating Company Limited (JCR-VIS). The counterparties for which external credit ratings were not available have been assessed by reference to internal credit ratings determined based on their historical information for any defaults in meeting obligations.

		-	110,085	84,228

b) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to manage liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses different methods which assists it in monitoring cash flow requirements and optimizing its cash return on investments. Typically the Company ensures that it has sufficient cash on demand to meet expected operational expenses for a reasonable period, including the servicing of financial obligation. This excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

The table below analyses the contractual maturities of the Company's financial liabilities into relevant maturity groupings based on the remaining period at the statement of financial position date to the maturity date. The amounts disclosed in the table are undiscounted cash flows.

As at June 30, 2024	Carrying amount	Contractual cash flows	Less than 1 Year Rupees in thous	Between 1 to 5 years sand	5 years and above
Long term finance - secured	80,183	95,773	59,411	36,362	-
Lease liabilities	72,947	99,385	26,191	73,194	-
Trade and other payables	291,708	291,708	291,708	-	-

	1,459,434	1,501,462	1,391,906	109,556	-
As at June 30, 2023					
Long term finance - secured	85,499	107,870	40,403	67,467	_
Lease liabilities	81,674	103,044	38,595	60,628	3,821
Trade and other payables	355,345	355,345	355,345	-	-
Unclaimed dividend	3,396	3,396	3,396	-	-
Short term borrowings - secured	1,099,683	1,099,683	1,099,683	-	-
Short term running finance - secured	24,588	24,588	24,588		-
	1,650,185	1,693,926	1,562,010	128,095	3,821

The contractual cash flows relating to the above financial liabilities have been determined on the basis of interest/ mark-up rates effective at the respective year-ends. The rates of interest / mark-up have been disclosed in the respective notes to these financial statements.

It is not expected that the cash flows included in the maturity analysis could occur significantly earlier or at significantly different amounts.

c) Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The Company incurs financial liabilities to manage its market risk. All such activities are carried out with the approval of the Board. The Company is exposed to interest rate risk, currency risk and market price risk.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is mainly exposed to currency risk from its creditors.

	2024	2023
	Rupees in	n thousand
Foreign currency liabilities of the Company are as follows:		
Trade and other payables	7,107	41,307

Sensitivity analysis:

Management runs a sensitivity analysis (what-if) in case USD currency appreciate in comparison with the functional currency by 10%.

Had there been a revaluation of monetary assets and liabilities, the foreign exchange gains / (losses) in the statement of profit or loss would have been as follows:

	2024	2023
	Rupees ir	n thousand
Gross exposure on statement of profit or loss	711	4,131
Net of tax exposure on statement of profit or loss	483	2,933

A 10% depreciation of USD vs. the functional currency would have had the equal but opposite effect to the amounts shown above, on the basis that all other variables remain constant.

		2024	2023
		Rupees	}
Average rate for the year	USD	282.70	182.25
Reporting date rate	USD	278.20	206.00

ii) Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rate.

The Company's exposure to the risk of changes in market interest rates relates primarily to the fund obtained from various banks with floating interest rates.

			Carrying A	mount
	2024	2023	2024	2023
			Rupees in the	nousand
Fixed rate instruments				
Financial assets Financial liabilities	4.25%- 5.0%	4.25%- 5.0%	- 50,996	- 58,738
Variable rate instruments				
Financial assets	20.5%	19.5%	3,926	3,323
Financial liabilities	1 to 3month KIBOR + 1.0% to 1.5%	3month KIBOR + 1.0% to 1.5%	1,121,898	1,189,238

Sensitivity analysis

Management runs a sensitivity analysis (what-if) in case interest rate appreciate in comparison with the current interest rate by 1%.

-7	2024	2023
	Rupees in	thousand
Gross exposure on statement of profit or loss		
Financial Assets	39	33
Financial Liabilities	11,036	12,480
	11,076	12,513
Net of tax exposure on statement of profit or loss		
Financial Assets	27	24
Financial Liabilities	7,505	8,861
	7,532	8,885

iii) Price risk

Price risk is the risk that the fair value or future cash flows of the financial instruments will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) such as equity price risk, whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not exposed to any significant price risk as at reporting date.

41.2 Capital risk management

The Company is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Board monitors the return on capital and the level of dividend to ordinary shareholders. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders and / or issue new shares. There was no change to the Company's approach to the capital management during the year.

The Company is not subject to externally imposed capital requirements except for the maintenance of certain financial covenants. Under the terms of certain borrowing facilities, the Company is required to comply the following financial covenants:

- current ratio must not be less than 1.

The Company is non-compliant with this covenant as at the reporting date. As at June 30, 2024, the current ratio is 0.92 (2023: 0.85). Accordingly, the liabilities under these financing agreements have been classified as current liabilities in these financial statements.

The Company monitors capital using a gearing ratio, which is calculated as net debt divided by total capital plus net debt. Net debt is calculated as amounts payable by the Company less cash and bank balances. Capital signifies equity as shown in the statement of financial position plus net debt. The Company's gearing ratio is as follows:

	2024	2023	
	Rupees in thousand		
Long term finances - secured	80,183	85,499	
Lease liabilities	72,947	81,674	
Employees' retirement benefits	54,081	43,738

Capital and net debt	2,770,495	2,829,757	
Gearing ratio	0.53	0.58	

41.3 Off-setting of financial assets and liabilities

For the year ended June 30, 2024, no financial assets and liabilities were subject to offsetting.

42. FAIR VALUE OF FINANCIAL ASSETS AND LIABILITIES

The carrying values of financial assets and liabilities approximate their fair value.

42.1 Fair value hierarchy

Certain property, plant and equipment of the Company was valued by independent valuer to determine the fair value of property, plant and equipment as at June 30, 2023. The revaluation surplus was credited to other comprehensive income and is shown as 'surplus on revaluation of property, plant and equipment'. During the year, the management and its expert believe that there are no significant change in circumstances necessitating new revaluation The different levels have been defined as follows:

- Level 1

Quoted prices (unadjusted) in active market for identical assets/ liabilities.

- Level 2

Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).

- Level 3

Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

Level 2 fair value of revalued property, plant and equipment (PPE) has been derived using the current market price or depreciated replacement cost method. Sales prices of comparable property, plant and equipment in identical circumstances or close proximity are adjusted for differences in key attributes such as property size, structure, location, capacity etc. The most significant inputs into this valuation approach are price per Marla, price per square feet, depreciated replacement cost etc.

43. RECONCILIATION OF MOVEMENT OF LIABILITIES TO CASH FLOWS ARISING FROM FINANCING ACTIVITIES

		Liabili	itias			Equity		Total
	Short term	Short-term	Finance	Long term	Share	Surplus on	Un -	Total
	borrowings	running finance	lease liabilities	finances	capital	revaluation of PPE	appropriated profits

44. REMUNERATION OF CHIEF EXECUTIVE, DIRECTORS AND EXECUTIVES

The aggregate amount charged in the financial statements for remuneration, including all benefits, to Chief Executive, Non-Executive Directors and Executives of the Company is as follows:

	Chief Executive		Directors		Executives	
	2024	2023	2024	2023	2024	2023
			Rupees ir	thousand		-
Meeting fee	-	-	6,700	6,500	-	-
Managerial remuneration	24,351	24,351	-	-	48,008	42,024
Employee benefits Company's contribution to	2,435	2,435	-	-	29,505	25,827
provident and gratuity fund	-	-	-	-	6,203	5,406
Other perquisites	1,593	1,593	-	-	6,144	4,894
	28,379	28,379	6,700	6,500	89,860	78,151
Number of persons	1	1	6	11	17	16

44.1 In addition to the above, the Chief Executive Officer and some of the executives have been provided with the facility of Company maintained cars, as per policy. Charge for the year in respect of staff retirement benefit is determined on basis of actual contribution.

45. PLANT CAPACITY AND ACTUAL PRODUCTION

	2024	2023
Blowing		
Capacity - no. of bottles (in '000)	327,144	327,144
Production - no. of bottles (in '000)	219,154	186,591
Utilization	67%	57%
Injection		
Capacity - no. of preforms (in '000)	684,807	728,864
Production - no. of preforms (in '000)	444,667	432,383
Utilization	65%	59%

Reason for under-utilization of capacity

Being seasonal nature of business, beverages and associated products have lower demand during winter season, therefore, production capacity during said period remain under-utilized, resulting in reduced capacity utilization over the year.

46. TRANSACTIONS AND BALANCES WITH RELATED PARTIES

Related parties of the Company comprise its directors, the employees' retirement benefit plan and key management personnel which include the CEO and directors. Amounts due from / (due to) related parties are disclosed in the relevant notes to these financial statements. The remuneration of Chief Executive, Directors and Executives is disclosed in note 44 to the statement of financial statements. Aggregate transactions with related parties during the year were as follows:

		2024	2023
	Transactions during the year	Rupees in thousand	
	Contribution to staff provident fund	22,989	21,378
	Contribution to employees' gratuity fund	4,802	6,012
	Remuneration to key management personnel	75,184	71,667
	Directors fee	6,700	6,500
	Sales proceeds from disposal of car to CEO	-	2,579
	Bonus shares issued	-	15%
47.	GENERAL		
47.1	Number of employees	2024	2023
	Number of employees at June 30 - Permanent - Contractual	237 513	219 449
	Average number of employees during the year - Permanent - Contractual	230 493	227 454

47.2 Seasonality

The Company's major customers are manufacturers of beverages, sales of which decrease in winter season. This ultimately impacts Company's sales. Due to the seasonal nature of business of the Company, higher revenues and profitability are usually expected in first and last quarters of the year.

47.3 Corresponding figures

Corresponding figures have been re-arranged and re-classified for the purposes of comparison and better presentation as per reporting framework. However, the change in corresponding figures has no material impact on previously reported financial position, financial performance and cash flow of the Company.

47.4 Rounding off

Figures have been rounded off to the nearest thousand of rupees unless otherwise stated.

47.5 Non-adjusting event after the date of statement of financial position

The Board of Directors in its meeting held on September 27, 2024 has proposed a final cash dividend at the rate of 15% i.e. Rs. 1.50 per ordinary share (2023: NIL) for the year ended June 30, 2024. This appropriation will be placed before the shareholders for approval in the forthcoming Annual General Meeting and the effect thereof will be accounted for in the financial statements for the year ending June 30, 2025.

48. DATE OF AUTHORIZATION FOR ISSUE

These financial statements have been authorised for issue by the Board of Directors of the Company on September 27, 2024.
